

IFB 1003116-FY13-10  
Refuse and Recycling Collection Services  
Addenda No. 2  
Issued April 16, 2013

1. Is there a pre-bid meeting scheduled? - No
2. Can we get the tonnage history for each of the material removed per month or annually?
  - a. Residential MSW
  - b. Residential Recycling
  - c. Residential Yard Waste
  - d. Commercial hand pick-ups MSW
  - e. Commercial hand pick-ups Recycling
  - f. Commercial Front-load containers 2-8 yard containers MSW
  - g. Commercial Front-load containers 2-8, 25 yard containers Recycling
  - h. Three recycling facilities

See attached 2012 tonnage report.

3. Are we allowed to dispose of MSW, Yard waste, and Recycle materials at any licensed facility of our choosing in or out of Loudoun County?

Refer page 11 of the IFB.

4. Can we get a list of the sites the current hauler is using for:

MSW	Loudoun County Landfill and other approved disposal facilities
Recycling	Current hauler uses their own facility in Sterling, Virginia
Yard Waste	Loudoun Composting

5. Will the town allow for changes in the service schedule and specific days to be more efficient, when agreed to by the town?

Yes, but will require a change to the Town Code, which requires Town Council approval.

6. Is the 2013 rates adjustment of +1.27% listed on the spreadsheet, currently being charges the town, or is this a proposed adjustment submitted by the current hauler not yet in place?

2012 rates were increased by 1.27% to set the current 2013 rates.

- a. Can we get a copy of the rate adjustment schedule/history for the current contract/hauler each year since the beginning of the current contract?

2009 = 0, first contract year

2010 = 2.65%

2011 = 0

2012 = 2.86%

2013 = 1.27%

7. What's the effective date of the original contract?

October 1, 2008

- a. How many optional year renewals have been executed with current hauler

4

8. Can we get the total number of complaints per year for miss pick-ups?

2008 = 150

2009 = 144

2010 = 90

2011 = 126

2012 = 68

- a. Can we get the annual dollar amount charged current hauler in liquidating damages due to complaints of miss pick-ups?

We have not assessed any liquidated damages during the current contract.

9. I could not find in Chapter 28 or the RFP anything about the age of the trucks, only that they meet chapter 28 guidelines and are clean and in good working order. Is there any regulation on the age of the trucks? Is a 3, 4 or 5 year truck ok?

The Town of Leesburg has no specific age limitation for trucks.

10. I searched the town website and was unable to find Town of Leesburg Code Chapter 28 that is referenced several times in the RFP for Trash and Recycling Could you please help me get my hands on that?

See attachment #4 on the bid board.

11. The per unit price spread sheet you sent the second column says “number of units” does this refer to number of actual real estate units(5 condos, 5 buildings) or is this the number of Refuse Containers? The reason I ask is in column 3 line # 7 “collection of six (6) CY containers(plural) three (3) times per week” or is this actual quantity of “6” (6 CY containers). Line 9 says I unit and “container” Where line 15 states “container” not containers and it is one unit.

Maybe I am missing and did not read this enough or I am reading too much into it. Please let me know.

1. The number of units for residential curbside are the actual street addresses. These are listed in Attachment #1.
2. The number of units for commercial curbside are the actual street addresses. These are listed in Attachment #2.
3. The number of units for container is as described on each line. These are also listed in Attachment #3.
