

Option #3

This option maximizes the use of the site by eliminating one of the garage exit lanes and connecting both sides of the parcel with an elevated terrace. Features include:

- Elevated terrace for outdoor dining
- Access from the interior of the garage with pass-through potential space for seasonal retail
- Interactive fountain
- Video screen & mini-stage
- Flexible space in east parcel for event staging, maintenance operations staging, food truck or market stall set-up, etc.
- Connection to rose garden/ Loudoun Museum Area
- Public rest rooms
- Mural
- Sculpture locations
- Shade trees and landscaping

MERVIN JACKSON PARK

(Proposed)
