- I. Purpose** - The Town of Leesburg (TOL) is accepting competitive sealed bids for Fire Extinguisher Inspections and Services as designated in the fire extinguisher bid data section. All work will be performed in accordance with the National Fire Prevention Association (NFPA) Standard 10-2007 or latest edition. Services will be provided at all TOL facilities listed herein. The bid will include pricing for new fire extinguishers and accessories as approved by the Chief Procurement Officer.
- II. Contract Term** - The resulting unit price contract will be from October 1, 2014 through September 30, 2015. Upon mutual consent of both parties, the resulting contract can be renewed for up to four (4) additional one-year terms. Consummation of a contractual agreement is contingent upon a contract acceptable to the Town, copy of which is attached.
- III. Scope of Work** – The Contractor shall furnish all materials, tools, equipment, labor, and all other incidentals for the inspection and servicing of various types of fire extinguishers located at all TOL buildings, facilities, equipment, and vehicles listed herein. The Contractor shall provide trained licensed technicians to provide fire extinguisher maintenance, servicing, testing, and recharging. The Contractor shall provide proof of technician qualifications to TOL. The Contractor shall provide the following inspection and maintenance services.

1. INSPECTION AND MAINTENANCE SERVICES

- Annual fire extinguisher service will include visual inspection of all extinguisher components, including extinguisher weight, pressure gauge operating range, removal/replacement of tamper seals and safety pins. Tamper seals shall be included in the inspection fee. Install monthly inspection tags and perform hydrostatic tests, if required. All labor, materials, delivery, and disposal of non-repairable fire extinguishers will be included in annual inspection costs.
- Service call charge will include haz-mat fees, fuel surcharges, administration cost and/or traveling to a specified testing location. No additional charge for travel will be allowed. A maximum of one service charge per day will be allowed.
- Labor fees shall be included within the cost of each required service mentioned herein.
- Five (5) year hydrostatic testing, maintenance, and recharging of extinguishers as required by NFPA 10.
- Six (6) year extinguisher inspection and maintenance which will consist of a visual inspection, providing repair and replacement parts including but not limited to tamper seals, lock pins, nozzles, valves, seals, O-rings, hoses, adapters, and recharging.
- Twelve (12) year hydrostatic testing, maintenance, and recharging of extinguishers. TOL may elect to purchase new extinguishers in lieu of performing this service.
- Recharging fees will include all labor and materials included in the six-year and twelve-year maintenance cost as required by NFPA 10. A Department of

Transportation (DOT) High Pressure Test Certification is required to perform the hydro-test. The Contractor will provide proof of this certification.

- Provide unit cost for furnishing and installing new fire extinguishers.
- The Contractor will supply TOL with a comprehensive list of extinguishers inspected and services performed for each facility.

2. **INSPECTION/MAINTENANCE TAGS** - Existing inspection tags shall be replaced when annual inspections are performed. The Contractor shall attach state Fire Marshall approved labels or tags imprinted with the Contractors name, address, telephone number, and date when maintenance was performed on each fire extinguisher. The tag shall identify the person performing the service, indicating if recharging was performed and date the test was completed. All inspection tags replaced shall be all weather type tags.
3. **FACILITY ACCESS AND LOCATIONS** - The Contractor shall be granted access to Town facilities between the hours of 7:30 AM and 4:00 PM, Monday through Friday, to perform annual portable fire extinguisher and maintenance services. Required visits outside this time may be scheduled in advance.

IV. General Contract Terms and Conditions

1. **Submittal Instructions** – Quotes may be mailed or emailed to the Procurement Officer at that address on the cover page at the date and time so specified. All Bids must be submitted on the attached bid form and must include the Pricing Form and the RFQ Submission form, a statement of relevant experience and company, contact name, address, and phone number of three recent references. The bid shall also include a spill control and cleanup procedure.
2. **Acceptance or Rejection of Bids** – The Town reserves the right to accept or reject any or all Bids in whole or in part and to waive minor informalities in the process of awarding this contract.
3. **ADA reasonable accommodation clause** – If you need any reasonable accommodation for any type of disability in order to participate in this procurement, please contact the Procurement Officer at 703-737-7176 at least 5 days prior to the bid due date.
4. **Anti-collusion Statement** - The signer of the bid must declare that all persons, companies or parties interested in the contract as principals are named therein; that the bid is made without collusion with any other person, persons, company or parties submitting a bid; that it is in all respects fair and in good faith without collusion or fraud; and that the signer of the bid has authority to contractually bind the offeror (See RFQ Submission Form).
5. **Arrearage** - By submitting a Bid in response to this solicitation, the individual or firm submitting the bid shall be deemed to represent that it is not in arrears in the payment of any obligation due and owing the TOWN, the Commonwealth of Virginia, or any public body in the Commonwealth of Virginia, including but not limited to any obligation to pay taxes and/or employee benefits. Bidder further agrees that it shall make diligent efforts to avoid becoming in arrears during the Term of any Contract awarded hereunder.
6. **Assignment of Contract** – The contractor shall not assign the contract, or any portion thereof, without the advanced written permission of the Procurement Officer, such permission not to be unreasonably withheld.
7. **Authority to Bind Firm in Contract** - An official authorized to bind the offeror shall sign each Bid. Bids must be firm for the sixty (60) days immediately following the date of submission of the sealed bid. At the end of the 60-day period, the bid may be withdrawn at the written request of the offeror. If the bid is not withdrawn, it will remain in effect until an award is made or the solicitation is cancelled.
8. **Contract Changes / Change Orders**

- a. No verbal agreement or conversation with any officer, agent or employee of the TOWN either before or after the execution of any Contract resulting from this solicitation or follow on negotiations, shall affect or modify any of the terms, conditions, specifications, or obligations contained in the solicitation, or resulting Contract. No alterations to the terms and conditions of the Contract shall be valid or binding upon the TOWN unless made in writing and signed by the Procurement Officer identified on the cover page. Contract changes shall be in writing, and may be via email. In any event and in all circumstances, the Contractor shall be solely liable and responsible for any Contract changes, deviations, etc., made without first receiving written authorization to deviate from the Contract by the Project Manager.
 - b. Changes can be made to the contract in any of the following ways:
 - i. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.
 - ii. The TOWN may order changes within the general scope of the contract at any time by Notice to the Contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give the TOWN a credit for any savings.
9. **Competition intended** – It is the Town’s intent that this Invitation for Bid permit competition. It shall be the offerors responsibility to advise the Procurement Officer in writing if any language, requirements, specifications, etc., or any combinations thereof, inadvertently restricts or limits the requirements stated in this RFQ to a single source. The Procurement Officer must receive such notification no later than (5) days prior to the date set for bids to be received.
10. **Contract Award** – The Town reserves the right to award each chemical to the lowest responsive, responsible bidder or to award a single contract to the overall lowest responsive, responsible bidder. Award will be made in the manner deemed to be in the best interest of the Town.
11. **Contractor’s Responsibilities**
- a. The Contractor shall be responsible for all products and/or services as required by this RFQ. The use of subcontractors is prohibited.
 - b. The Contractor, at its sole expense, shall be responsible for damage to the TOWN and non -TOWN property as a result of its failure to protect such

facilities and utilities.

- c. The Contractor, at its sole expense, shall immediately repair or replace the TOWN property damaged by (or caused by) the Contractor. Replacements will be of equal or better quality than the property damaged property, and all such work must be approved by the TOWN Procurement Officer or Director of Utilities.

12. **Cooperative Procurement** - As authorized in Section 2.2-4304 of the Code of Virginia this procurement is being conducted on behalf of and may be used by public bodies, agencies, institutions and localities of the several states, territories of the United States, and the District of Columbia with the consent of the contractor.

13. **Costs incurred in responding** – This solicitation does not commit the Town to pay any costs incurred in the preparation and submission of bids or in making necessary studies or designs for the preparation thereof, nor to procure or contract for services.

14. **Debarment Status** - By submitting a Bid in response to this solicitation, each Bidder certifies that it is not currently debarred by the federal government, the Commonwealth of Virginia, or any agency or department thereof from submitting a bid or proposal in connection with any procurement project and that it is not an agent of any person or entity that currently is so debarred.

15. **Delivery**

a. By submitting a bid in response to this solicitation, the Bidder guarantees delivery of contract items within the timeframe specified herein or as indicated in the bidders bid submission form. Failure to deliver within the time specified, or as amended in writing by the TOWN, or failure to make replacements of rejected Contract items, shall constitute a breach of contract and may be grounds for a declaration of default in addition to any other remedies the TOWN may be entitled to.

b. Deliveries must be made by within the delivery time specified in the bid submission document. If a delay is anticipated, the Contractor must provide as much advanced notice as possible to the TOWN. Failure to honor a delivery schedule may result in damages to the TOWN. The Contractor is liable for any and all costs incurred by the TOWN due to such failures.

16. **Disposition of Bids** – All materials submitted in response to this RFQ will become the property of the Town. One (1) copy of each bid shall be retained for official files and will become a public record. These records will be available for public inspection after award of contract. It is understood that the bid will become a part of the official file on this matter without obligation on the part of the Town except as to the disclosure restrictions contained in Section 12. “Disclosure: Trade Secrets and Proprietary Information”.

17. **Disclosure: Trade Secretes and Proprietary Information** – In compliance with the Virginia Public Procurement Act (the “VPPA”), all bids will be available for public inspection. Trade secrets and proprietary information submitted by a vendor in connection with a procurement shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the offeror must invoke the protection of this section prior to or upon submission of the data or other materials, and must identify the specific area or scope of data or other materials to be protected and state the reasons why protection is necessary. An all-inclusive statement that the entire bid is proprietary is unacceptable. A statement indicating that costs are to be protected is unacceptable.
18. **Drug-free workplace to be maintained by contractor; required contract provisions.** All public bodies shall include in every contract over \$10,000 the following provisions: During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every purchase order of over \$10,000, so that the provisions will be binding upon each vendor.

For the purposes of this section, “*drug-free workplace*” means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

19. **Employment Discrimination Prohibited** – Offeror agrees that it will adhere to the non-discrimination requirements set forth in the Virginia Code Section 2.2-4311 of the Virginia Public Procurement Act and repeated below, which will be incorporated into any contract awarded:
- a. During the performance of this contract, the contractor agrees as follows:
 - i. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, status as a service disabled veteran, or any other basis prohibited by state law relating to discrimination in employment. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 - ii. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
 - iii. Notices, advertisements and solicitations placed in accordance with

federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

- b. The contractor will include the provisions of the foregoing paragraphs a, b and c in every contract of over \$10,000 so that the provisions will be binding upon each contractor.
20. **Ethics in Public Contracting** – The Offeror agrees that it will adhere to Article 6 – “Ethics in Public Contracting” requirements set forth in the Virginia Code Section 2.2-4367 thru 2.2-4377 of the VPPA.
21. **Examination of Records** - Bidder agrees that in any resulting contract, either the TOWN or its duly authorized representative shall have access to and the right to examine and copy any directly pertinent books, documents, papers, and records of the Contractor involving transactions related to any resulting contract. This obligation shall expire five years after the final payment for the final service performed as a result of any and all contract(s) awarded pursuant to this solicitation, or until audited by the TOWN, whichever is sooner. Contractor will provide reasonable access to any and all necessary documents and upon demand provide copies of documents if so required by the TOWN or its representative(s). The TOWN will reimburse the Contractor for any reasonable expenses it incurs as a result of such a request.
22. **Faith-Based Organizations** - The Town of Leesburg does not discriminate against Faith-Based organizations.
23. **Familiarity with Specifications** - Each Bidder shall bear responsibility for thoroughly examining this solicitation in its entirety. In the event that Bidder has any questions or comments regarding the proper meaning or intent of any aspect of this solicitation, then such Bidder shall submit all such questions and comments in writing to the Procurement Contact identified on the cover sheet of this solicitation.

The submission by a Bidder of a Bid in response to this solicitation shall be deemed to constitute a representation on the part of such Bidder that it has thoroughly examined this solicitation and has submitted any and all questions and comments it may have regarding the meaning or interpretation of this solicitation to TOWN in the manner prescribed herein.

25. **Force Majeure** - If a delivery is delayed by Act of God, terrorism, war, embargo, fire, or explosion not caused by the negligence or intentional act of the Contractor or his supplier(s), a reasonable extension of time as the TOWN deems appropriate may be granted. Upon receipt of a written request and justification for any extension from the Contractor, the TOWN may in its sole discretion (i) extend the time for delivery of the Commodity; (ii) suspend the Contract in whole or in part and obtain one or more of the Commodities elsewhere for a time, or (iii) terminate the Contract; all without liability to Contractor on the part of the TOWN, as the case may be. Contractor's request and justification shall be subject to such substantiation and further inquiries as the TOWN may require.

26. **Governing Law; Venue; Waiver of Jury Trial** - Notwithstanding any provision to the contrary, this solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia. Any dispute arising hereunder which is not otherwise resolved by the parties shall be resolved by a court of competent jurisdiction in the Commonwealth of Virginia. The Contractor and the TOWN hereby waive any right such party may have to a trial by jury in connection with any such litigation.
27. **Incorporation by Reference** - This solicitation is issued in accordance with, and controlled by, the Virginia Public Procurement Act (VPPA), which is incorporated into and made part of the solicitation. By submitting a bid in response to this solicitation, all Bidders acknowledge the VPPA and agree to be bound by it. A copy of the VPPA is available for inspection in the TOWN's Procurement Office. It is also available at the Virginia Department of General Services, Department of Purchases and Supply Website:
- http://www.eva.state.va.us/dps/Manuals/docs/VPPA_2013.doc
28. **Inquiries/Comments Concerning Specifications** - Questions or comments concerning the specifications, contained herein must be received by the Procurement Officer at least five (5) days prior to the Bid Due Date. Any interpretation deemed to be material in nature or that alters the scope of the goods or services being requested will be expressed in the form of written addenda. Such addenda will be sent to all prospective offerors no later than three (3) days prior to the due date. Verbal communications will not be binding.
29. **Insurance-** Any vendor or contractor engaged to perform work on Town property shall not start work until they have obtained and provided at a minimum, proof of the insurance required below. Additionally the contractor shall not allow any subcontractor to commence work until all similar insurance required of the Subcontractor has been obtained.

These certificates must be forwarded to the Purchasing Office BEFORE the REQ will be converted to a Purchase Order.

Insurance Requirements:

Workers Compensation	Statutory Worker's Compensation and Employers' Liability insurance under the Commonwealth of Virginia statutory requirements.
Bodily Injury	\$2,000,000 each person \$2,000,000 each occurrence
Property Damage	

Automobile	\$2,000,000 each accident
General Liability	\$2,000,000 each accident \$2,000,000 per occurrence

*Notice of cancellation must be on insurance certificate- No change, cancellation, or non-renewal shall be made in any insurance coverage without a thirty day written notice to the Purchasing Officer. The contractor shall furnish a new certificate prior to any change or cancellation date. The failure of the contractor to deliver a new and valid certificate will result in suspension of all work and payments until the new certificate is furnished.

*The Town must be named as an additional insured. This proof must be in the form of a copy of the endorsement to your policy.

30. **Late Bids** – Bids received after the submission deadline will be returned unopened, provided a return address is visible.
31. **Laws and Regulations** – The Offerors attention is directed to the fact that all applicable Commonwealth of Virginia laws, municipal ordinances and the rules and regulations of all authorities having jurisdiction over the contract shall apply to the contract throughout, and they will be considered to be included in the contract the same as though herein written out in full.
32. **License Requirement** – All firms doing business for the Town of Leesburg are required to be licensed in accordance with the Town’s “Business, Professional, and Occupational Licensing (BPOL) Tax” Ordinance. Wholesale and retail merchants without a business location in Leesburg, VA are exempt from this requirement. Questions concerning the BPOL Tax should be directed to the Department of Finance, telephone 703-771-2717. The BPOL license number, if applicable, must be indicated on the pricing page of this Invitation for Bid.
33. **Payment**
 - a. **Invoices:** All invoices are to be sent directly to the delivery facility by mail, fax, or e-mail. Invoices shall include the TOWN’s Purchase Order / Contract number and the contractor’s FEIN. Failure to comply may result in late payments for which the TOWN will not be liable.
 - b. **Terms:** All payments will be Net 30 from the date of receipt of a valid invoice at the respective TOWN facility. Payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.

- c. Refunds: If the Contractor is declared to be in default, the TOWN will be eligible for a full and immediate refund for all payments made to the Contractor.
 - d. The TOWN is exempt from Federal Excise Taxes and Virginia State Sales and Use Taxes. The TOWN's tax identification number is 54-6001390.
34. **Public Notice of Award** – The Town will post the notice of award on the bid board located at www.leesburgva.gov/bidboard.
35. **Purchase Orders** - A purchase order will be issued shortly after award. It will become an integral part of the resulting contract. The purchase order indicates that sufficient funds have been obligated as required by Title 15 of the Code of the Commonwealth of Virginia, and assures distribution of the necessary receiving reports. The purchase order does not supersede any provisions of the resulting contract. Performance time and dates are determined solely by the contract and any modification thereto. Services are not to begin until receipt of the purchase order and/or other notification by the Town Procurement Officer.
36. **Safety** – All contractors and subcontractors performing services for the TOWN are required and shall comply with all Occupational Safety and Health Administration (OSHA), State and County Safety and Occupation Health Standards and any other applicable rules and regulations. Also all contractors and subcontractors shall be held responsible for the safety of their employees and any unsafe acts or conditions that may cause injury or damage to any persons or property within and around the work site area under this contract.
37. **Termination** – Subject to the provisions below, the contract may be terminated by the Town upon thirty (30) days advance written notice to the other party; but if any work or service hereunder is in progress, but not completed as of the date of termination, then this contract may be extended upon written approval of the Town until said work or services are completed and accepted.
- a. Termination for Convenience – In the event that this contract is terminated or cancelled upon request and for the convenience of the Town, without the required thirty (30) days advance written notice, then the Town shall negotiate reasonable termination costs, if applicable.
 - b. Termination for Cause – Termination by the Town for cause, default or negligence on the part of the contractor shall be excluded from the foregoing provision; termination costs, if any, shall not apply. The thirty (30) days advance notice requirement is waived in the event of Termination for Cause.
 - c. Termination Due to Unavailability of Funds in Succeeding Fiscal Years – When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, the contract shall be cancelled and the contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the contract.

38. **Unit Prices Prevail** - In the event that there is a mathematical error on the summary sheet, the unit price for each item shall prevail. All costs to provide the goods and/or services specified in this solicitation shall be shown on the attached bid summary sheet. If there are additional costs to provide the goods and/or services specified herein either list them on the attached bid summary sheet or attach an additional sheet to it. Line items left blank will be interpreted as at no cost to the TOWN.
39. **Virginia Freedom of Information Act** - Except as provided herein, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen, any interested person, firm, or corporation, in accordance with the Virginia Freedom of Information Act.
