

Town of Leesburg Electric Power Providers

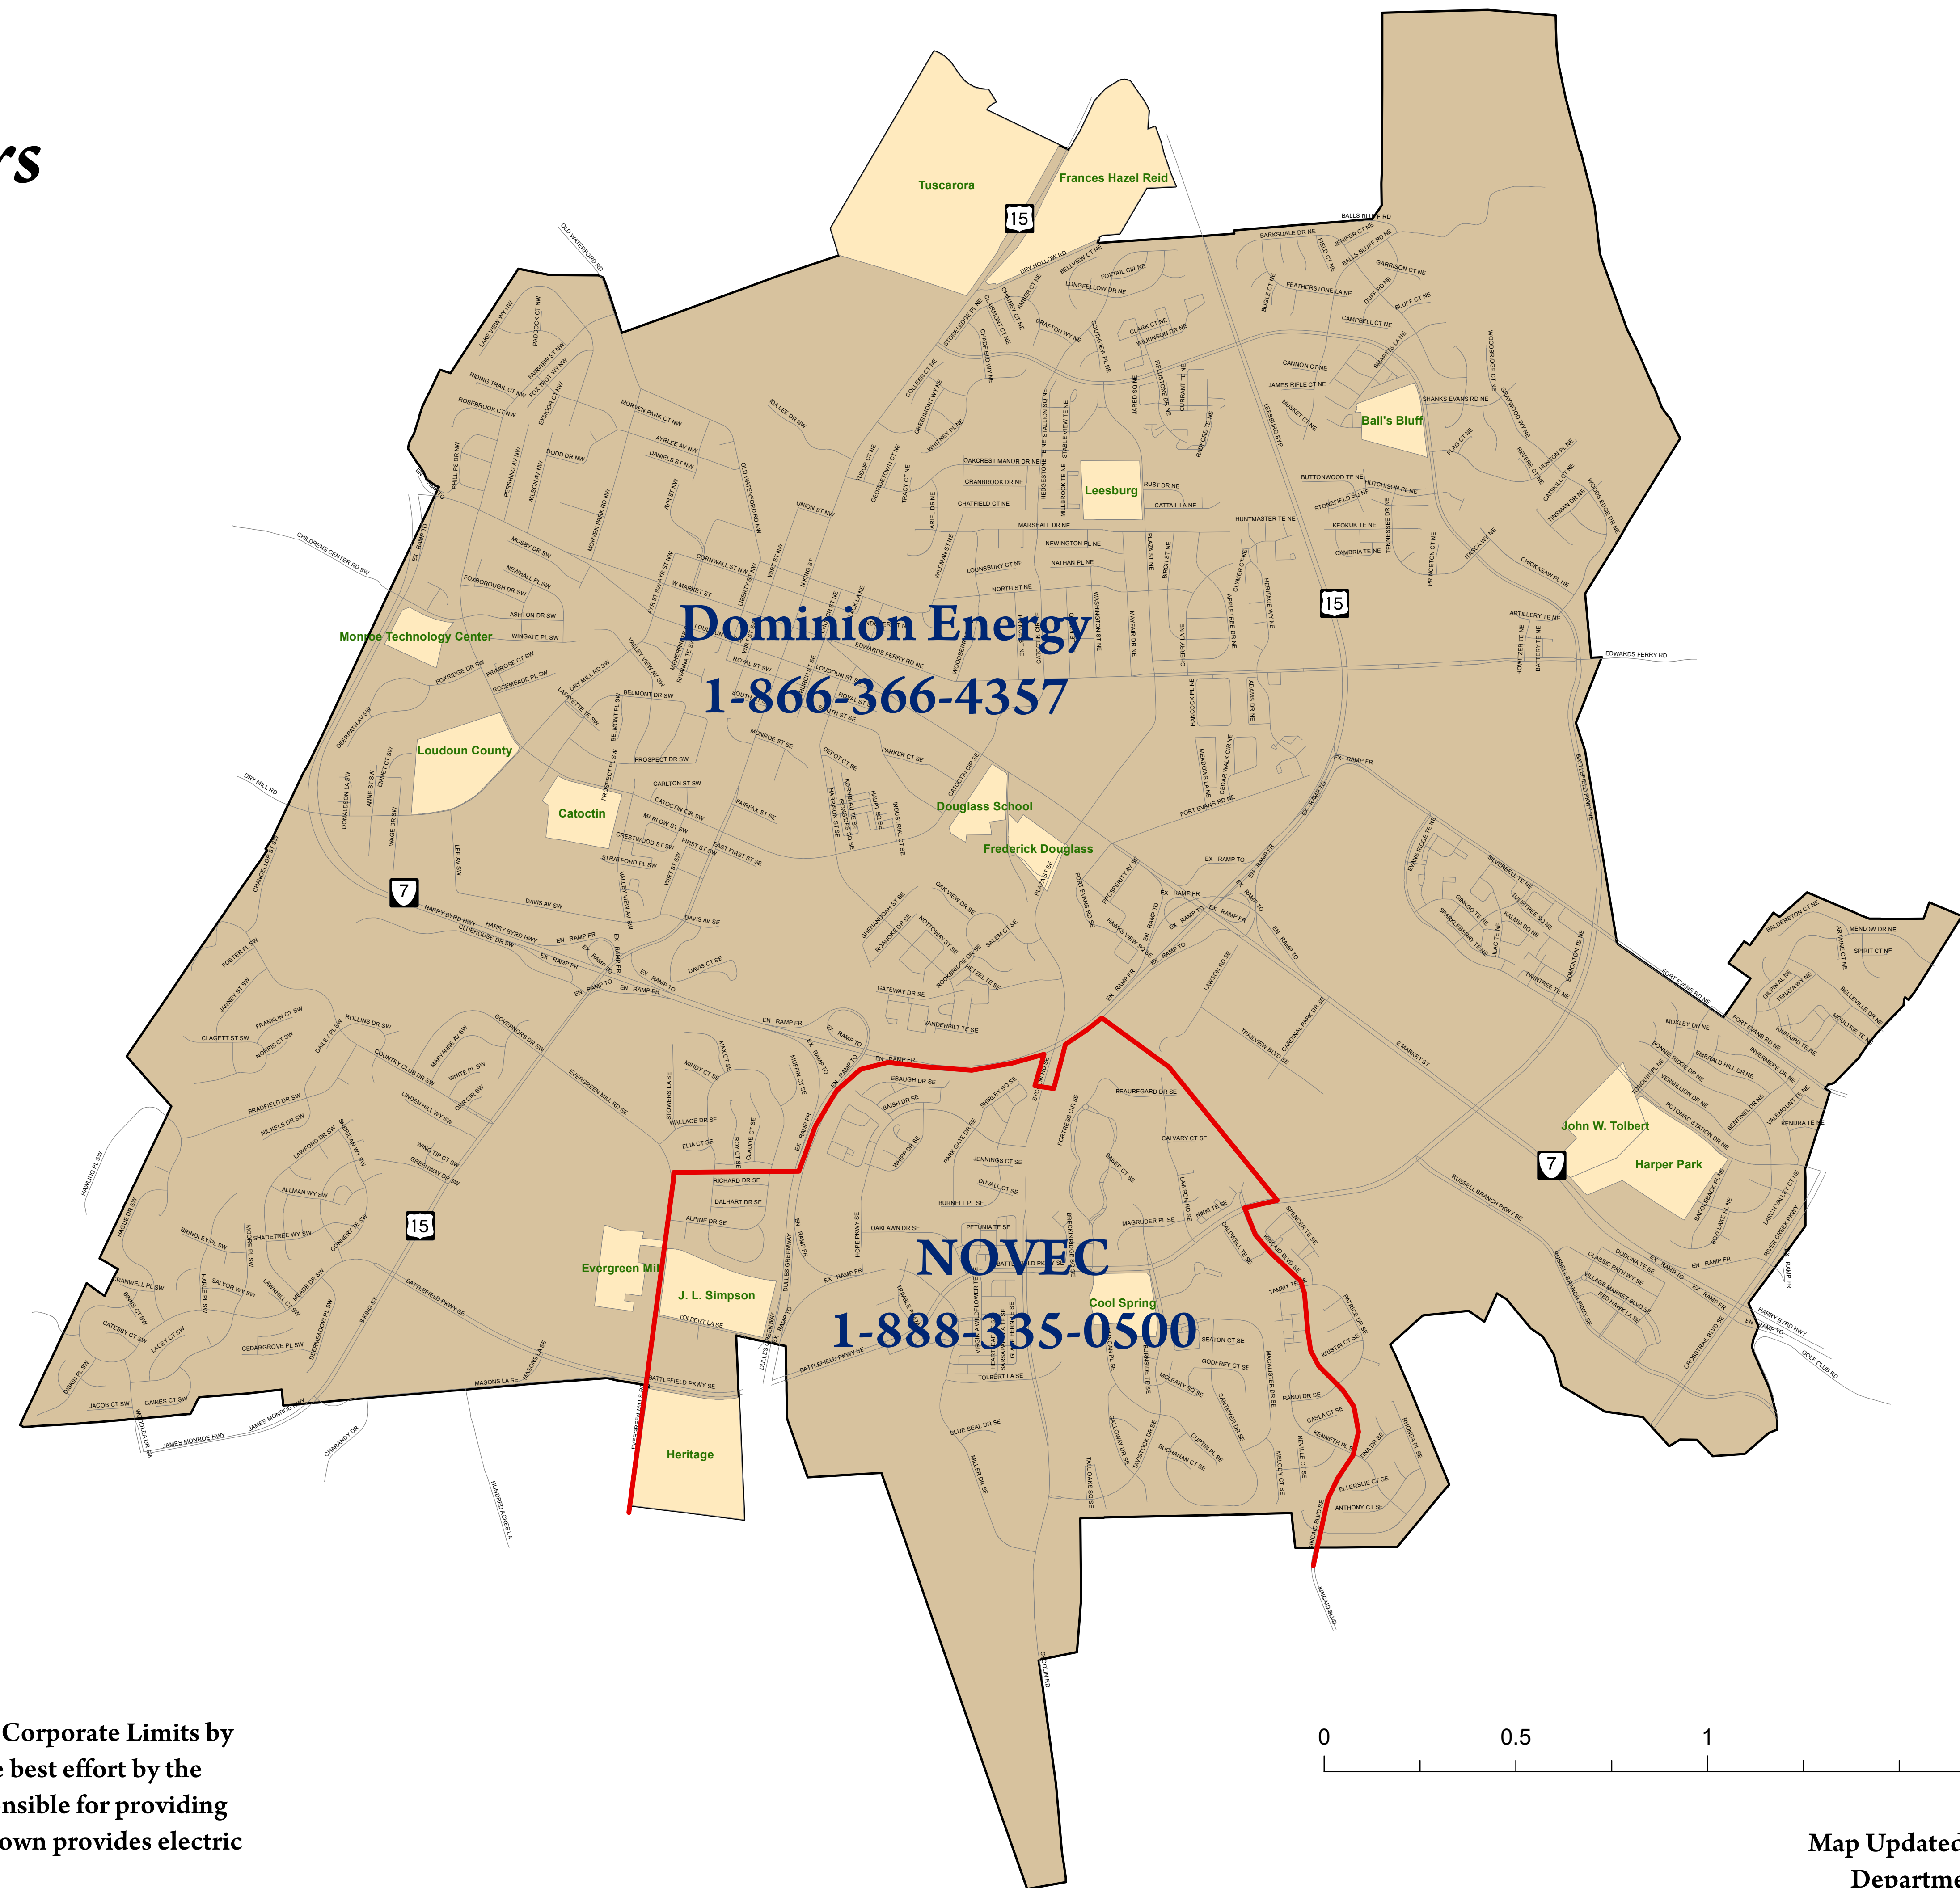

Electric Service Providers:

Dominion Energy

1-866-366-4357

NOVEC

1-888-335-0500

-  Town Roads
-  Schools
-  Town Limit Line

This map shows the limits of electric service in the Town of Leesburg Corporate Limits by the two electric providers: NOVEC and Dominion Energy. This is the best effort by the Town to graphically show the limits of service. The Town is not responsible for providing electric service and in no way does this map intend to show that the Town provides electric service to the residents of Leesburg.
