

We'd Like to Hear from You!

Do you own a dog? Do you use the Leesburg Dog Park at Old Izaak Walton Park? Or would you like to? We are considering expanding the park to incorporate a small dog area for those under 25 lbs. and we'd love to know what you think!

Your thoughts, ideas and suggestions are important to us as we continue improvements for our four legged friends.

Here's a brief description of the proposed small dog area: The space would be roughly 70' by 90'. Plans include a partially cleared and graded area, added fill material and 6-8 larger shade trees would remain; with a new fence & gate to match the existing Dog Park.

Share your thoughts with us by emailing Bill Ference: wference@leesburgva.gov

Thank you!
