Letter from the Chief of Police

Dear Members of the Leesburg Community:

I am pleased to present you with the Police Department's 2014 Annual Report. The mission of the Town of Leesburg Police Department is to keep our community safe by providing the highest quality of police services. In 2014, Part I crime decreased by 17% led by a significant decrease (18%) in larceny.

During 2014 the department worked closely with George Mason University's Center for Evidence Based Crime Policy. Through this partnership we enhanced the training of our staff in evidence based /intelligence-led policing and implemented strategies designed to be proactive to crime trends rather than the traditional police reactive approach. The results were significant; we saw significant decreases in all major crime categories. In addition to crime reduction the department was also awarded the International Association of Chiefs of Police Community Policing Award. No less important was the department receiving Re-Accreditation form the Virginia Law Enforcement Professional Standards Commission. This process involved the department being audited by law enforcement professionals from around the state to insure that we are in compliance with standards recognized as measures of police excellence.

At the end of this year two long serving and mainstays of our department retired; Captains Clagett (Skeeter) Moxley and Jeff VanGilder. Both of these men had long and distinguished careers with the Leesburg Police Department and their dedication to excellence and commitment to the community have made the department what it is today. The torch of leadership was passed from Captains Moxley and VanGilder to 2 new Captains: Vanessa Grigsby and Carl Maupin. Both are officers who have had exceptional careers and I am confident that they will continue the legacy of Skeeter Moxley and Jeff VanGilder with their commitment to excellence and service to the community.

The cornerstone of our success is the skill, dedication, and commitment of the men and women of this Department. These accomplishments reflect every member's strong commitment to our organizational values of Leadership, Pride and Dedication. I also want to thank the members of the Leesburg Citizens Support Team and the Leesburg Police Explorer Post for their individual and collective efforts, hard work, and contribution throughout the past year.

I know that I speak for every member of the Leesburg Police Department in saying that our success would not be possible if it were not for the strong partnership that we have with the Town leadership, other Town departments and most of all you the community. We pledge to continue to work with our partners to achieve our shared vision for Leesburg.

Sincerely,

Joseph R. Price

Chief of Police

Leesburg Police Department—Beat and Sector Map

The Town is divided into Community Policing Sectors. Officers are assigned to a Community Policing Sector and are responsible for handling any issues within that sector.

The Police Department utilized two district commanders who continued to provide oversight, guidance and direction in providing timely and effective police services within the respective commands. The third operations lieutenant serves as the Emergency Services Commander and is tasked with refining emergency operations plans and training as well as honing the Real Time Crime Center (RTCC), in line with the constantly evolving world of law enforcement.

The RTCC combines regional analysis, modeling, and forecasting that are then shared with the district commands to better deploy police resources in the interest of preventing crime, interdicting crime and being as proactive as possible, versus reacting to events after the fact.

The map shows the different Community Policing Districts and indicates the Commander for the various neighborhoods. From the Town's website one can click on the link to contact a Community Commander with questions and/or concerns for that district.

The email link is proving successful in providing a communication pathway for non-emergency questions, general information and for citizen feedback to the Police Department.

To see crime information within the Community Policing Districts and Sectors you can access CrimeReports.com from the police web page. You can enter locations, dates and time frames to view recent activity in the area. You can also sign up to get email notifications of crime activity.

Awards and Recognition

VIRGINIA LAW ENFORCEMENT PROFESSIONAL STANDARDS COMMISSION HONORS THE LEESBURG POLICE DEPARTMENT FOR ACHIEVING REACCREDITED STATUS

On December 9, 2014, at the Leesburg Town Council Meeting, Mr. Gary Dillon with the Virginia Department of Criminal Justice Services presented a Certification of Re-Accreditation (3rd award) to the Leesburg Police Department for its commitment to law enforcement excellence as evidenced by their successful completion of the certification process for the Virginia Law Enforcement Accreditation Program

The Leesburg Police Department has demonstrated their commitment to professionalism and their willingness to be measured by and compared to the best in the profession. To obtain accreditation, a law enforcement agency must meet all applicable program standards, maintain their accreditation files on an on-going basis, and provide annual verifications of compliance as required by the Commission.

Leesburg Police Department Receives IACP Community Policing Award

The Leesburg Police Department is proud to announce that we were awarded the 2014 Community Policing Award from the International Association of Chiefs of Police (IACP) and Cisco Systems. This prestigious award recognizes outstanding community policing initiatives by law enforcement agencies worldwide. Law Enforcement agencies were eligible to be nominated in five categories based on population size. The Leesburg Police Department was one of five agencies selected and we are honored to share the award with the Madison County, Alabama Police Department for agencies with populations of 20,001 – 50,000.

The Leesburg Police Department received the award based upon the partnerships we have established with businesses within the Town of Leesburg to combat Organized Retail Crime (ORC) through the use of crime prevention measures. The ORC initiative is an example of this mission in practice. Incurring no additional costs, the LPD was able to establish a public-private partnership to enhance traditional analytical practices, apply modern theories on crime prevention, and reverse a significant crime trend.

Awards and Recognition

Leesburg Police Recognized for Traffic Safety Efforts

On September 9, 2014, the Leesburg Police Department was recognized for its efforts in promoting traffic safety during 2013. The department received the award during the annual Virginia Law Enforcement Challenge Awards Program that was held in conjunction with the Virginia Association of Chiefs of Police annual conference in Roanoke, Virginia. The department was awarded second place in the Municipal 5 category, which includes law enforcement agencies with 76-125 sworn officers.

The awards are based on entries that are prepared by the individual agencies that highlight their traffic safety education and enforcement activities during the past calendar year. Judges award points to the agencies in the six areas that comprise a comprehensive traffic safety program: problem identification, policies, planning, training of officers, public information and education, enforcement, and an evaluation of the outcomes of the agency's efforts.

Leesburg Police Detective Honored at Awards Ceremony

The Leesburg Police Department was pleased to announce that Detective Bob Thompson was recognized for his outstanding efforts in keeping children safe in our community at the *Allies in Prevention Awards Luncheon*. The awards program annually recognizes and awards one person from each of the five major jurisdictions in Northern Virginia who have gone above and beyond in their efforts to prevent child abuse and neglect in the community. The five major jurisdictions include Alexandria, Arlington, Loudoun, Fairfax/Falls Church, and Prince William.

Detective Thompson was honored on Tuesday April 1, 2014 at a ceremony held in McLean, VA. Detective Thompson, who has been employed by the Town of Leesburg Police Department since 1999 and served as the Family Crimes Coordinator, played a key role in keeping children safe and handled the more complex child sexual assault and domestic violence cases, and conducted the majority of the interviews at the new Loudoun Child Advocacy Center for the police department.

Leesburg Police Officer Recognized for Efforts in Supporting Victim's Rights

The Leesburg Police Department was pleased to announce that Lieutenant Tom Kinnally was presented with a Victim Services Award from the Loudoun County Commonwealth's Attorney's Office and the Victim Witness Program during the 16th annual Victim Services Awards Ceremony. The awards ceremony was held on Friday April 11, 2014 at the Loudoun County Courthouse. This year's guest speakers included the Virginia Secretary of Public Safety and Homeland Security, Brian Moran, as well as Sharon Love, mother of Yeardeley Love and victims' rights advocate and founder of the One Love Foundation. The awards ceremony was held in conjunction with Victim's Rights Week, April 6-12, 2014. The 2014 theme was "30 Years: Restoring the Balance of Justice". The ceremony honored the victims, families, and survivors and recognized the outstanding work, support and assistance rendered to victims by law enforcement and members of the community.

Retirements

On Friday December 19, 2014, the Leesburg Police Department paid tribute to two of our senior staff as we celebrated the retirements of Captain's Jeff VanGilder and Clagett Moxley. Both Captain VanGilder (33 years of service) and Captain Moxley (34 years of service) served the Town of Leesburg with pride and we wish them both health and happiness as they transition into retirement and thank them for their dedication and years of service to the citizens of Leesburg.

Retirements

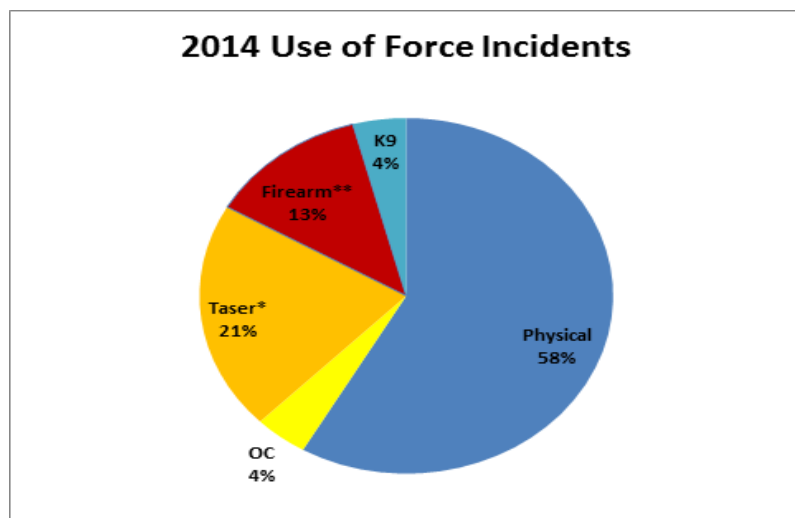

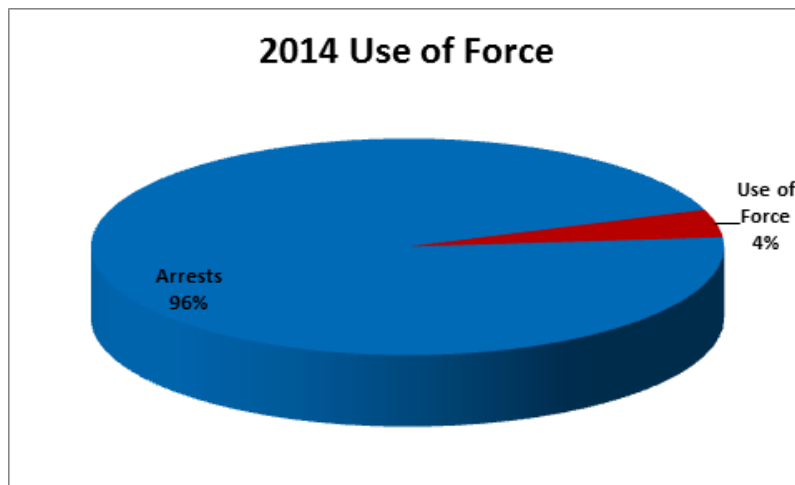

On April 30, 2014, the department paid tribute to Lieutenant Tom Kinnally who retired from the department after 7 years of service following a 29 year career with the Federal Bureau of Investigation where his last assignment prior to retiring was the Special Agent in Charge of the Washington Field Office. While employed with the LPD, Lt. Kinnally was the Commander of the Criminal Investigations Section. The department was very fortunate to have someone of Tom's experience to lead the investigations section while he was here. We all wish Tom health and happiness as he transitions into his (second) retirement and thanks him for his many contributions to the betterment of the agency.

Citizen Complaints and Use of Force

During the calendar year 2014, the Police Department received six formal complaints from citizens arising from more than 50,642 documented citizen contacts. In addition to the citizen complaints, the Department self-initiated thirteen complaints. An administrative investigation was initiated in each of the nineteen cases. The complaints involved concerns such as improper application of law, improper application of Department policy or procedure, and allegations of misconduct.

Following an internal investigation, sustained violations of Department policy were found in seven of the cases and appropriate corrective action was taken. Eight investigations are still pending and one investigation was not completed due to employee separation prior to adjudication. In the remaining three cases, the employee's actions were found to be correct or the complaint was unfounded.

There were 39 Use of Force incident reports out of the 50,642 documented contacts that occurred in 2014 with 2 of them resulting in minor injuries to the suspect and 3 resulting in injuries to officers.

Training

Training has often been cited as one of the most important responsibilities in any law enforcement agency. Training serves three broad purposes:

- Well-trained officers are generally better prepared to act decisively and correctly in a broad spectrum of situations
- Training results in greater productivity and effectiveness
- Training fosters cooperation and unity of purpose

In-Service Training

The Leesburg Police Department recognizes the importance of training its officers and is committed to providing the best training available to all personnel. All officers of the Leesburg Police Department will, at a minimum, attend 40-hours of in-service training on a biannual basis as mandated by the State. A 4-hour block of legal updates and a 4-hour block of cultural awareness training is mandatory during in-service training.

Leesburg Police Explorer Post 1041

The Leesburg Police Department Explorer Post #1041 was started in 2007. The Post assists the Police Department at many public events including the July 4th Celebration, parades, foot races and National Night Out. Explorers have regularly assisted the Department with administrative projects that ranged from simple filing projects to sorting bicycles in the Town's impound lot. The Explorer Post #1041 hosts the McGruff program, supplying the manpower to get McGruff to special events and assist the Crime Prevention Unit. Post #1041 also deploys the Department golf cart and a float at all the Town of Leesburg parades. The float is used to promote anti-crime and/or traffic safety topics.

Explorer posts help youth to gain insight into a variety of programs that offer hands-on career activities. Law Enforcement Exploring shows youth the ins and outs of the law enforcement profession. For young men and women who are interested in careers in the field of law enforcement, Exploring offers experiential learning with lots of fun filled, hands-on activities that promote the growth and development of adolescent youth.

Leesburg Police Citizen Support Team

The Citizen Support Team is dedicated in its goal to support the Leesburg Police Department in its mission to protect and serve the citizens of Leesburg. The various ways the team assists the Department ranges from assisting at Town of Leesburg special events, community patrols, assistance at community events with the Crime Prevention Unit, data collection for the Traffic Management Unit, providing child identification/DNA kits to the public, pilot the Department's barrel train during parades and other child safety events, and when requested, perform traffic control at major fire or traffic accident scenes or after damaging storms. The Support Team is also the Department's partner in our "Holidays with the Cops" program.

In 2014, the Citizens Support Team provided 6663 staff hours of volunteer service, saving the Town over \$46,000 in staff costs. The Team has also spent over 324 hours working on administrative tasks for the Department. The number of hours worked by Team members in traffic control, special events, emergency call outs and proactive patrols totaled 6321 hours

National Night Out

On August 5, 2014 from 6 PM to 9 PM, the Leesburg Police Department participated in the 31st annual National Night Out sponsored event. This year's National Night Out location was at the Exeter Clubhouse, which is located at 390 Plaza Street, NE, Leesburg, VA.

This event is sponsored by the National Association of Town Watch (NATW) and co-sponsored locally by Leesburg Police Department and Target. Gifts donated by Target and Kohl's will be distributed at the site to children 15 years of age and younger, with parental consent. To be eligible for the gift drawing, children had to complete a simple form that asks what phone numbers are used to contact the police. They also had to get two officer's signatures before they can turn in the ticket for a raffle ticket. Winners received gift cards and coupons that were donated by Chick-fil-A, Cobb Theatre, Giant, Target, and Wal-Mart. Wegmans catered the event. The Police Department provided give a-ways and crime prevention tips as well.

Events for children included the ROCK Program Moon Bounce, Leesburg Parks and Recreation had a tennis court game and McGruff the Crime Dog handed out Junior Officer Badges. The LPD Barrel Train was also at the event to provide rides for the kids and the Good Knight Child Empowerment Network program handed out materials on child safety.

National Night Out is designed to: (1) Heighten crime and drug prevention awareness; (2) Generate support for, and participation in, local anti-crime efforts; (3) Strengthen neighborhood spirit and police-community partnerships; and (4) Send a message to criminals letting them know neighborhoods are organized and fighting back.

This is a day where all residents in neighborhoods throughout Leesburg and across the nation are asked to lock their doors, turn on outside lights and spend the evening outside with neighbors and police.

LEESBURG POLICE DEPARTMENT TAKE BACK UNWANTED PRESCRIPTION DRUGS

On September 27, 2014, the Leesburg Police Department with the assistance of the Citizens Support Team, and the Drug Enforcement Administration (DEA) gave the opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. Citizens brought their pills for disposal to the Leesburg Police Department Headquarters at 65 Plaza Street, NE, Leesburg, VA. The service is free and anonymous, with no questions asked. At the end of the day, a total of 187 lbs. of unwanted or expired prescription drugs were collected.

In October 2013, Americans turned in 324 tons (over 647,000 pounds) of prescription drugs at over 4,114 sites operated by the DEA and its thousands of state and local law enforcement partners. When those results are combined with what was collected in its seven previous Take Back events, DEA and its partners have taken in over 3.4 million pounds—more than 1,700 tons—of pills.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse, and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, Americans are now advised that their usual methods for disposing of unused medicines—flushing them down the toilet or throwing them in the trash—both pose potential safety and health hazards.

DEA is in the process of approving new regulations that implement the Safe and Responsible Drug Disposal Act of 2010, which amends the Controlled Substances Act to allow an “ultimate user” (that is, a patient or their family member or pet owner) of controlled substance medications to dispose of them by delivering them to entities authorized by the Attorney General to accept them. The Act also allows the Attorney General to authorize long term care facilities to dispose of their residents’ controlled substances in certain instances.

8th Annual Inmed/Mothernet Holiday Dinner

On Tuesday November 25, 2014, the Leesburg Police Department hosted a holiday meal at the Douglass Community Center. This is the 8th year that the members of the Leesburg Police Department have coordinated this special evening. Spanky's Shenanigans kindly volunteered to prepare all the food for the event. The annual event, held in partnership with Inmed/Mothernet provides lower income, single parent families (w/small children) a warm holiday meal in a family atmosphere.

At 6:00 PM, members of the Leesburg Police Department and the Leesburg Police Citizens Support Team, delivered and served a full meal consisting of Turkey, mashed potatoes, green beans, and cranberry sauce along with chicken nuggets and macaroni and cheese and various desserts to approximately forty adults and sixty children.

Overall the event was a rousing success and could not have happened without the generosity of the members of the Police Department and Support Team who eagerly donated funds as well as volunteered to be the guest servers for the meal. The Leesburg Police Department would also like to thank Spanky's Shenanigans and the Douglass Community Center for their continued support of this very worthy program.

Community Outreach

Christmas came a little early on Friday, December 12, 2014. The Town of Leesburg Police Department's *Holidays with The Cops* event kicked off at 6:00 pm with lots of help from the Leesburg community. By the end of the evening, fifteen local children had fulfilled their Christmas wish lists thanks to the generosity of local individuals and businesses, as well as The Town of Leesburg.

In partnership with the Leesburg Parks & Recreation **ROCK (Recreation Outreach to Community Kids)** program, fifteen children from low-income families got a chance to shop for the holidays with the help from their own personal police officer "partner". In addition, two children under the age of two, received gift bags from a citizen donation, and one of our shoppers will be receiving an eye exam and eyeglasses free of charge.

On Friday night, the kids were brought to police headquarters only knowing they were having dinner with members of the police department. Once at police headquarters, the big surprise was revealed. Each child was going shopping at Target with a Police officer and would be able to purchase anything they wanted or needed up to \$200. Palio of Leesburg provided a holiday dinner for the group.

Upon arrival at Target, kids and officers spanned the store. Once the shopping was done, the kids got to work on holiday crafts while they waited for their turn to wrap the presents they were taking home to their families.

With donations from officers, the public and local businesses, funds were raised to support this year's event with enough to begin plans for the 2015 *Holidays with the Cops*. On behalf of the Leesburg Police Department, we would like to thank the following: Target of Leesburg, Palio of Leesburg, and the Leesburg Police Citizen Support Team.
