

CONSTRUCTION ENGINEERING AND INSPECTION SERVICES
FOR SYCOLIN ROAD WIDENING PHASE IV
IFB NO. 15301-FY19-04
ADDENDUM #2
AUGUST 7, 2018

Questions and Answers:

Question 1: We participated in the design phase of this project as the geotechnical engineer. Does this preclude us from joining any team to perform CEI services?

Answer 1: No, firms that provided services as a subconsultant to the design engineer are not precluded from joining teams proposing on this project.

Question2: Per the RFP on Page 10 Section B. Selection Process, it says “Therefore, proposals should be submitted initially on the most favorable terms that the offeror could propose with respect to both price and technical capability”; is a price proposal to be included with the proposal submission?

Answer 2: No, a price proposal is not required with the proposal submission.
