damage to any persons or property within and around the work site area under this contract.

17. **Termination:** Subject to the provisions below, the contract may be terminated by the Town upon thirty (30) days advance written notice to the other party. If, however, public necessity requires use of commodities and/or service not conforming to the specifications they may be accepted and payment therefore shall be made at a proper reduction in price.

Termination Due to Unavailability of Funds in Succeeding Fiscal Years – When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, the contract shall be cancelled and the contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the contract.

19. **Use by Other Localities:** Offerors are advised that the resultant contract may be extended, with the authorization of the offeror, to other public bodies or public agencies or institutions of the United States to permit their use of the contract at the same prices and/or discounts and terms and conditions of the resulting contract. The Town of Leesburg acts

only as the “Contracting Agent” for these public bodies. Failure to extend a contract to any public body will have no effect on consideration of your bid.

It is the Contractor’s responsibility to notify the public body(s) of the availability of the contract.

Other public bodies desiring to use this contract must make their own legal determination as to whether the use of this contract is consistent with their laws, regulations, and other policies.

Each public body has the option of executing a separate contract with the Contractor(s). Public bodies may add terms and conditions required by statute, ordinances, and regulations, to the extent that they do not conflict with the contract’s terms and conditions. If, when preparing such a contract, the general terms and conditions of the public body are unacceptable to the Contractor, the Contractor may withdraw its extension of the award to that public body.

23. **Collusion Among Offerors:** More than one proposal from an individual, firm, partnership, corporation or association under the same or different name will be rejected. The signer of the proposal must declare that all persons, companies and parties interested in the contract as principals are named therein; that the proposal is made without collusion with any other person, persons, company or parties submitting a proposal; that it is in all respects fair and in good faith without collusion or fraud; and that the signer of the proposal has authority to contractually bind the offeror. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.

33. **Prime Vendor Responsibilities:** Offerors may propose services that are provided by others, but any services proposed must meet all of the requirements of this RFP. If the offeror's proposal includes services provided by others, the offeror will be required to act as the prime vendor for all such items and must assume full responsibility for the procurement delivery and quality of such services. The offeror will be considered the sole point of contact with regard to all stipulations, including payment of all charges and the meeting of all requirements of this RFP.
34. **Purchase Orders:** A purchase order will be enclosed with the resulting contract or will be issued shortly thereafter, and will become an integral part of the resulting contract. The purchase order indicates that sufficient funds have been obligated as required by Title 15 of the Code of the Commonwealth of Virginia, and assures distribution of the necessary receiving reports. The purchase order does not supersede any provisions of

the resulting contract. Performance time and dates are determined solely by the contract and any modification thereto. Services are not to begin until receipt of the purchase order and/or other notification by the Town's Procurement Officer or designee.

 1. For the Town:
 2. For the Contractor:

The parties may amend such addresses by written notice to the opposite party at the given address.

11. **Termination**

- A. Termination without Cause. The Town may terminate this Contract for any reason upon ten (10) days' notice and upon payment of any and all sums already earned under the terms of Paragraphs numbered 4 and 5 of this Contract and reasonable expenses incurred in reliance upon the Contract.

Notwithstanding the foregoing, the Contractor agrees that any resulting contract is subject to annual appropriations of the Leesburg Town Council and that non-appropriation of sufficient funding to continue the contract will result in its automatic termination once existing funding is exhausted.

- B. By Town with Cause. The Town may terminate this contract if the Contractor is in material breach with this Contract and fails to adequately remedy such breach after written notice from the Town and a 14-day period to cure the breach. If this Contract is terminated by the Town for cause, the Town may withhold any further payments to the Contractor until it determines its damages and may sue the Contractor for any damages caused by the breach. If the Town terminates this Contract for cause and it is later determined that such termination was not justified, then the termination shall be converted into one without cause under Paragraph 11.A. and any liability of the Town

shall be limited solely to the liability provided by that paragraph for a termination without cause.

C. If this Contract is terminated by the Town, the Contractor shall within seven days thereafter deliver to the Town all Contract Deliverables regardless of the current state of completion. In such case, the Contractor grants an irrevocable right to the Town to use the Contract Deliverables without additional compensation to the Contractor, by the Contractor will not be liable for any change or alterations to the Contract Deliverables or for their use in an incomplete state.

12. **Integration Clause.** This contract shall constitute the whole agreement between the parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations or agreements, written or verbal, between the parties hereto related to the subject of this Contract.
13. **Notice of Required Disability Legislation Compliance.** The Town is required to comply with state and federal disability legislation: The Rehabilitation Act of 1973 Section 504, The Americans with Disabilities Act (ADA) for 1990 Title II and The Virginians with Disabilities Act of 1990. Specifically, the Town may not, through its contractual and/or financial arrangements, directly or indirectly avoid compliance with Title II of the Americans with Disabilities Act, Public Law 101-336, which prohibits discrimination on the basis of disability by public entities. Subtitle A protects qualified individuals with disability from discrimination on the basis of disability in the services, programs, or activities of all State and local governments. It extends the prohibition of discrimination in federally assisted programs established by the Rehabilitation Act of 1973 Section 504 to all activities of State and local governments, including those that do not receive Federal financial assistance, and incorporates specific prohibitions of discrimination on the basis of disability in Titles I, III, and V of the Americans with Disabilities Act. The Virginians with Disabilities Act of 1990 follows the Rehabilitation Act of 1973 Section 504.
14. **Faith Based Organizations.** The Town does not discriminate against faith-based organizations.
15. **Immigration Reform and Control Act of 1986.** By entering this Agreement, the Contractor certifies that it does not and will not during the performance of this Agreement violate the provisions of the Federal Immigration Reform and Control Act of 1986, which prohibits employment of illegal aliens.
16. **Payment to Subcontractors.** Within seven (7) days after receipt of amounts paid by the Town for work performed by a subcontractor under this Agreement, the Contractor shall either: a) pay the subcontractor for the proportionate share of the total payment received from the Town attributable to the work performed by the subcontractor under this Agreement; or b) notify the Town and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment and the reason for non-payment. The Contractor shall pay interest to the subcontractor on all amounts owed that remain unpaid beyond the

seven (7) day period except for amounts withheld as allowed in item b. Unless otherwise provided under the terms of this Agreement, interest shall accrue at the rate of one percent (1%) per month. The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements as set forth above with respect to each lower-tier subcontractor. The Contractor's obligation to pay an interest charge to a subcontractor pursuant to this provision may not be construed to be an obligation of the Town.

17. **Authority to Transact Business in Virginia.** A Contractor organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law. Any business entity described herein that enters into an Agreement with the Town pursuant to the Virginia Public Procurement Act 2.2-4300 et seq. shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50 of the Code of Virginia, to be revoked or cancelled at any time during the term of the Agreement. The Town may void any Agreement with a business entity if the business entity fails to remain in compliance with the provisions of this section.
18. **Counterparts.** This Contract and any amendments or renewals hereto may be executed in a number of counterparts, and each counterpart signature, when taken with the other counterpart signatures, is treated as if executed upon one original of this Contract or any amendment or renewal. A signature by any party to this Contract provided by facsimile or electronic mail is binding upon that party as if it were the original.
19. **Ethics in Public Contracting.** The provisions contained in Sections 2.2 4367 through 2.2 4377 of the Virginia Public Procurement Act as set forth in the 1950 Code of Virginia, as amended, shall be applicable to all Contracts solicited or entered into by the Town. A copy of these provisions may be obtained from the Town upon request.

The above-stated provisions supplement, but do not supersede, other provisions of law including, but not limited to, the Virginia State and Local Government Conflict of Interests Act (§ 2.2-3100 et seq.), the Virginia Governmental Frauds Act (§ 18.2 498.1 et seq.) and Articles 2 and 3 of Chapter 10 of Title 18.2. The provisions apply notwithstanding the fact that the conduct described may not constitute a violation of the Virginia State and Local Government Conflict of Interests Act.

20. **Exemption from Taxes.** Pursuant to Va. Code § 58.1-609.1, the Town is exempt from Virginia State Sales or Use Taxes and Federal Excise Tax, therefore the Contractor shall not charge the County for Virginia State Sales or Use Taxes or Federal Excise Tax on the finished goods or products provided under the Contract. However, this exemption does not apply to the Contractor, and the Contractor shall be responsible for the payment of any sales, use, or excise tax it incurs in providing the goods required by the Contract, including, but not limited to, taxes on materials purchased by a Contractor for incorporation in or use

on a construction project. Nothing in this section shall prohibit the Contractor from including its own sales tax expense in connection with the Contract in its Contract price.

21. Employment Discrimination by Contractors Prohibited

A. During the performance of this Contract, the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, status as a service disabled veteran, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, shall state that such Contractor is an equal opportunity employer.
3. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient to meet this requirement.

B. The Contractor will include the provisions of the foregoing paragraphs, 1, 2, and 3 in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

22. Drug-free Workplace

During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purpose of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana during the performance of the Contract.

23. **Delays and Delivery Failures.** Time is of the essence. The Contractor must keep the Town advised at all times of status of parties' agreement. If delay is foreseen, the Contractor shall give immediate written notice to Town. Should Contractor fail to deliver the proper item/service at the time and place contracted for, or within a reasonable period of time thereafter as agreed to in writing by the Town, or should the Contractor fail to make a timely replacement of rejected item/service when so required, the Town may purchase item/service of comparable quality and quantity in the open market to replace the undelivered or rejected item/service. The Contractor shall reimburse the Town for all costs in excess of the Contract price when purchases are made in the open market; or, in the event that there is a balance the Town owes to the Contractor from prior transactions, an amount equal to the additional expense incurred by the Town as a result of the Contractor's nonperformance shall be deducted from the balance as payment.
24. **Substitutions.** No substitutions, additions or cancellations, including those of key personnel, are permitted after Contract award without written approval by the Town. Where specific employees are proposed by the Contractor for work, those employees shall perform the work as long as those employees work for the Contractor, either as employees or subcontractors, unless the Town agrees to substitution. Requests for substitutions shall be reviewed and may be approved by Town at its sole discretion.
25. **Workmanship and Inspection.** All work under this Contract shall be performed in a skillful and workmanlike manner. The Contractor and its employees shall be professional and courteous at all times. The Town reserves the right to require immediate removal of any Contractor employee from Town service it deems unfit for service for any reason, not contrary to law. This right is non-negotiable and the Contractor agrees to this condition by accepting this Contract. Further, the Town may, from time to time, make inspections of the work performed under the Contract. Any inspection by the Town does not relieve the Contractor of any responsibility in meeting the Contract requirements.
26. **Contractual Disputes.** The Contractor shall give written notice to the Procurement Officer of intent to file a claim for money or other relief within ten (10) calendar days of the occurrence giving rise to the claim or at the beginning of the work upon which the claim is to be based, whichever is earlier.

The Contractor shall submit its invoice for final payment within thirty (30) days after completion or delivery.

The claim, with supporting documentation, shall be submitted to the Procurement Officer by US Mail, courier, or overnight delivery service, no later than sixty (60) days after final payment. If the claim is not disposed of by agreement, the Procurement Officer shall reduce his/her decision to writing and mail or otherwise forward a copy thereof to the Contractor within thirty (30) days of the Town's receipt of the claim.

The Procurement Officer's decision shall be final unless the Contractor appeals within thirty (30) days by submitting a written letter of appeal to the Town Manager, or his

designee. The Town Manager shall render a decision within sixty (60) days of receipt of the appeal.

No Contractor shall institute any legal action until all statutory requirements have been met. Each party shall bear its own costs and expenses resulting from any litigation, including attorney's fees.

27. **Severability.** In the event that any provision shall be adjudged or decreed to be invalid, by a court of competent jurisdiction, such ruling shall not invalidate the entire Contract but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding and in full force and effect.
28. **Force Majeure.** A party will not be held responsible for failure to perform the duties and responsibilities imposed by the contract due to legal strikes, fires, civil disobedience, riots, rebellions, acts of God and similar occurrences beyond the control of the party that make performance impossible or illegal, unless otherwise specified in the Contract.

If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, that party must immediately notify the other party giving full particulars of the event of force majeure and the reasons for the event of force majeure preventing that party from, or delaying that party in performing its obligations under this contract and that party must use its reasonable efforts to mitigate the effect of the event of force majeure upon its or their performance of the contract and to fulfill its or their obligations under the contract.

An event of force majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event, nor does that event affect the obligation to pay money in a timely manner which matured prior to the occurrence of that event.

The Contractor has no entitlement and Town has no liability for: (1) any costs, losses, expenses, damages or the payment of any part of the contract price during an event of force majeure; and (2) any delay costs in any way incurred by the contractor due to an event of force majeure.

29. **Survival of Terms.** Upon discharge of this Contract, Sections (Notice, Indemnification, Governing Law/Forum, Contractual Disputes) continue and survive in full force and effect.
30. **Insurance.** Contractor shall secure at its own expense general liability insurance in an amount not less than \$1,000,000 solely contained in a Commercial General Liability Policy or in combination with an Umbrella or Excess Policy. Included shall be coverage for Bodily Injury and Property Damage resulting from the operations, products, and completed operations of the contractor.

Contractor shall also carry automobile insurance contained in a Commercial Auto Policy or in combination with an Umbrella or Excess Policy. Contractor shall also carry Workers Compensation insurance, which meets the statutory requirements of the Commonwealth of Virginia. In addition, Contractor shall also carry other insurance coverage deemed by the Town to be appropriate to this agreement.

The above-mentioned coverage shall be placed with an insurance carrier licensed to do business in the Commonwealth of Virginia. The carrier must have an AM Best Rating of A or better. A Certificate of Insurance identifying coverage and naming the Town of Leesburg as additional insured shall be furnished to the Town. Liability coverage shall contain wording prohibiting cancellation of coverage, failure to renew, or reduction in limit without the insurer first giving 30 days' prior written notice of such action to the Town.

- 31. **Parties' Relationship.** It is the intent of the parties hereto that the Contractor shall be considered as an independent contractor and that neither it nor its employees shall, under any circumstances, be considered servants or agents of the Town and that these bodies shall be at no time legally responsible for any negligence on the part of said Contractor, its servants or agents, resulting in either bodily or personal injury or property damage to any individual, firm, or corporation.

- 32. **Ownership of Documents.** Contractor agrees that all information, finished or unfinished documents, data, studies, surveys, specifications, records, reports and other material gathered and/or prepared by or for it under the terms of the Contract shall, at the Town's option, be delivered to, become, and remain the property of the Town. The Town shall also have the right to use and reproduce the data and reports submitted hereunder, without additional compensation to the Contractor.

In witness whereof, the parties below execute this Contract as of the date first written above.
