

**IFB NO. 500620-FY19-42
CIP NO. 06401
SANITARY SEWER LINING AND REHABILITATION 2019 (VARIOUS STREETS)**

ADDENDUM NO. 1

APRIL 18, 2019

Please note the following responses to the questions received:

1. Question: Will you please extend the duration from 90 to 180 days?

Response: Yes. Please note that Substantial Completion is hereby changed to one hundred eighty (180) calendar days from the date of Notice to Proceed. Final completion remains at fifteen (15) calendar days from Substantial Completion.

2. Question: Looking at the bid document it shows the following scope of CIPP as 8" – 3546 LF, 10" – 950 LF and 12" @ 460 LF, However, looking at the information on the plans it shows the following for the CIPP scope 8" – 3104 LF, 10" – 1400 LF and 12" @ 460 LF. Can you please confirm the actual scope by diameter and length?

Response: The estimated bid quantities have be revised the following: 8" = 3106 LF, 10" = 1390 LF and 12" = 460 LF. Please see the attached revised Bid Form to be submitted with your bid.

3. Question: The time of completion is 90 days; can this be extended to 180 days?

Response: Please see #1 of this addendum.

4. Question: Can you confirm that the qualifications of the lowest responsive bidder are NOT due at the time of bid?

Response: By submitting a bid, the bidder is certifying that the bidder can meet all of the requirements listed on Page 25 of the IFB. Documentation such as the CIPP manufacturer, certified manufacturer statement, and references will be obtained after the receipt of bids.
