Commissioner Comments

- **Vice Chair Poisson** spoke about American exceptionalism.

- **Commissioner Maddox** talked her efforts to connect with other local recruiting and staffing companies in an organization called EmploymentSME, with the goal of getting 10,000 people employed or reemployed by 2024.
- **Commissioner Kunzelman commented that she** hoping to regroup on goals and action items this evening.
- **Commission Carter** commended the Town Council on the transfer of the Sycolin Cemetery to the Loudoun Freedom Center and the creation of a citizen task force on the potential need for a Police Advisory Commission. He believes that a Police Advisory Commission could increase public confidence in law enforcement and our government's ability to be proactive rather than reactive to public safety issues. He emphasized that he doesn't think creating a Police Advisory Commission signals that there is something inherently wrong with the police department.

Council Member Comments

- **Vice Mayor Martinez** thanked Commissioner Carter on his comments on the Police Advisory Commission task force. He said that his intent for a potential Police Advisory Commission is to be a facilitator between the community and the police department and will not have any responsibility or authority over HR-related issues.

He also briefed the commission on a possible partnership with Coach Bleu Colquitt and his organization, who are looking to build a community center in Leesburg. They are in discussions with our Parks & Recreation Department about the possibility of creating a "home" for the R.O.C.K. program. He emphasized that the project is still in the "dream" stage.

Chair Comments

- **Chair McCray** highlighted several dates on the August Diversity calendar, including Black Women's Equal Pay Day (August 13), International Day for the Remembrance of the Slave Triade and its Abolition (August 23), and Women's Equality Day (August 26).

She relayed, on behalf of Commissioner Martinez-Harris, that the Commission on Public Art has invited the commission to participate in a project to recognize the people who were buried in Potters Field (near the present day Wendy's on East Market Street) and whose burials were moved to Union Cemetery in 1982. She'll send information and will put the item on the agenda for the September meeting.

Old Business

- **Commission Logo:** Commissioner Kunzelman shared preliminary commission logo designs. A work session will be scheduled to finalize a design before bringing back to the full commission.

- **Diversity Consortium:** This item was deferred to the September meeting.
- **Commission Goals and Strategies:** The commission discussed a number of action items, including:
 - Participating in the Halloween parade.

 - Developing a Junior DEI Coalition to involve younger Town residents.

Follow up emails will be sent, capturing individual assignments.
