Meeting Topics

- ▶ Project Description
- ▶ Project Goals
- ▶ Design Presentation
- ▶ Utility Relocations
- ▶ What to Expect During Construction
- ▶ Next Steps
- ▶ Comments and Questions

Project: Construct missing segments of sidewalk along Morven Park Road

Morven Park Road NE Sidewalk
October 27, 2021

Project Goals:

- ▶ Provide continuous pedestrian access between West Market Street and Old Waterford Road along Morven Park Road
- ▶ Improve storm drainage

Project includes:

- ▶ New sidewalk on the West side of the road
- ▶ Sidewalk between a portion of missing links on the East side
- ▶ New curb & gutter on both sides of the street
- ▶ Waterline replacement along the length of the street

Utility Relocations Needed

- ▶ Dominion – minor relocation to be completed prior to sidewalk construction
- ▶ Verizon – starting late Fall. Expected to be completed by February
- ▶ Comcast and Washington Gas – minor relocations taking place during construction

Next Steps

January 2022: Begin Waterline Construction

- ▶ New waterline the length of Morven Park Road and new services along Old Waterford Road
- ▶ Road will be closed except to local traffic - Working hours 7am – 7pm.
- ▶ 48 hrs. notice for all interruptions

Next Steps

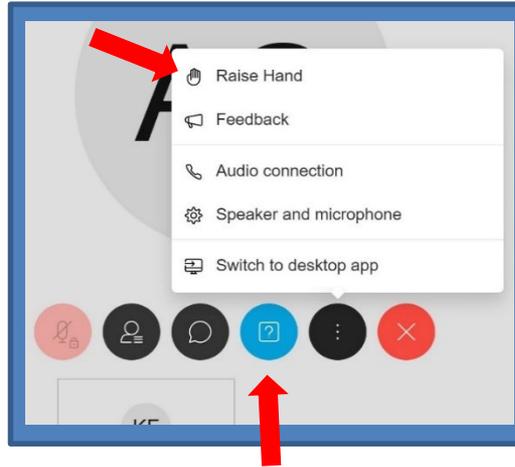

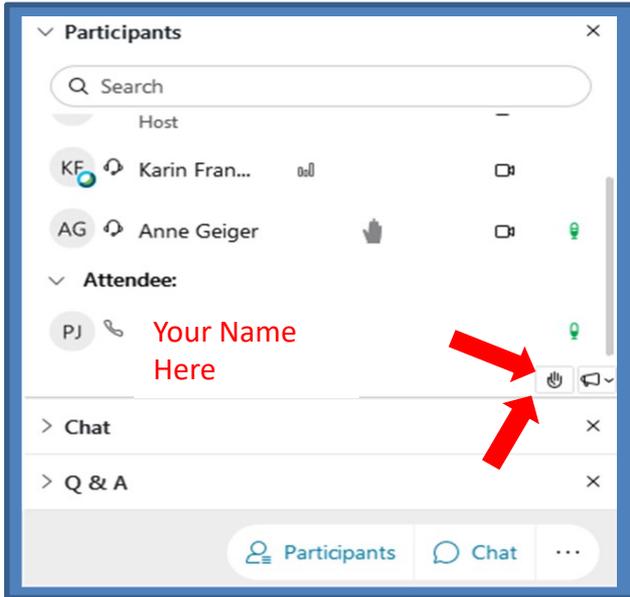

- ▶ **Winter 2021/2022:** Start Land & Easement Acquisition
- ▶ **Summer 2022:** Project put out for bid
- ▶ **Fall 2022:** Begin the rest of construction

What to Expect During Road Construction

- ▶ Road will be closed except to local traffic - Working hours 7am – 7pm.
- ▶ Construction of driveway aprons will be staggered
- ▶ Driveway aprons will use high-early strength concrete
