# Lawson Road Pedestrian Crossing of Tuscarora Creek Project

---

## Public Information Meeting

Presenter: Philip Jones, PE  
Assistant Director of Capital Projects

February 9, 2022

# Project: Construct New Pedestrian Crossing of Tuscarora Creek at Lawson Road

# Existing Conditions

# Project Goals

- ▶ Provide safe pedestrian and bicycle access across Tuscarora Creek
- ▶ No increase in the 100-year floodplain elevation
- ▶ Repair bank erosion upstream of Lawson Road

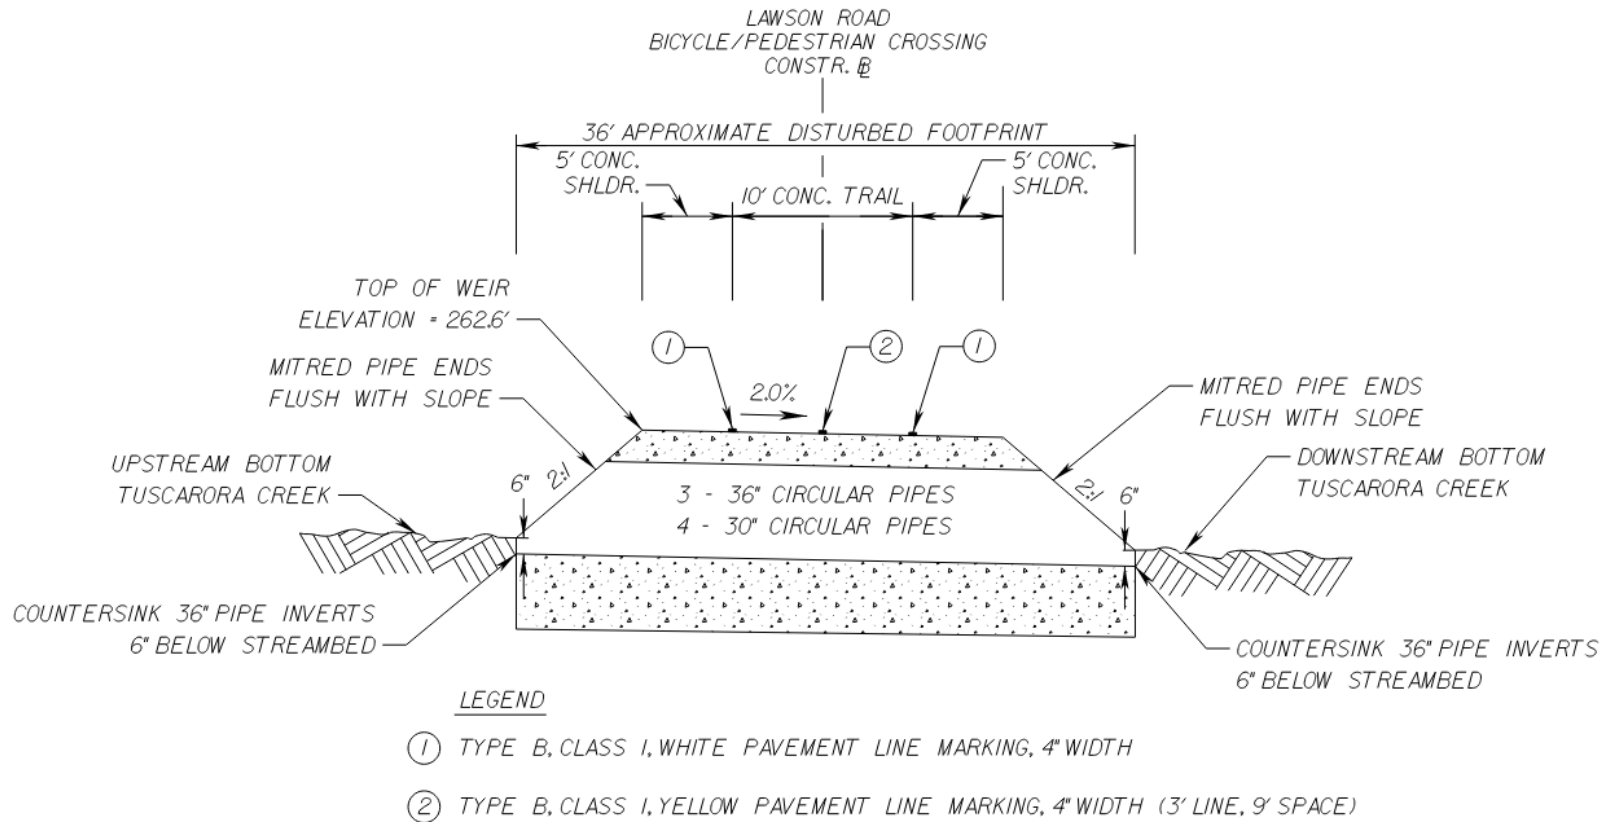

# Project Status and Schedule

- ▶ Project is on schedule for Spring 2023 Completion
- ▶ 60% construction plans have been reviewed by Town staff
- ▶ Engineer preparing 90% construction plans for resubmission
- ▶ Floodplain modeling under Town review and shortly moving to FEMA review
- ▶ Construction to begin early Spring 2023

# Example Low Water Crossing W&OD Trail

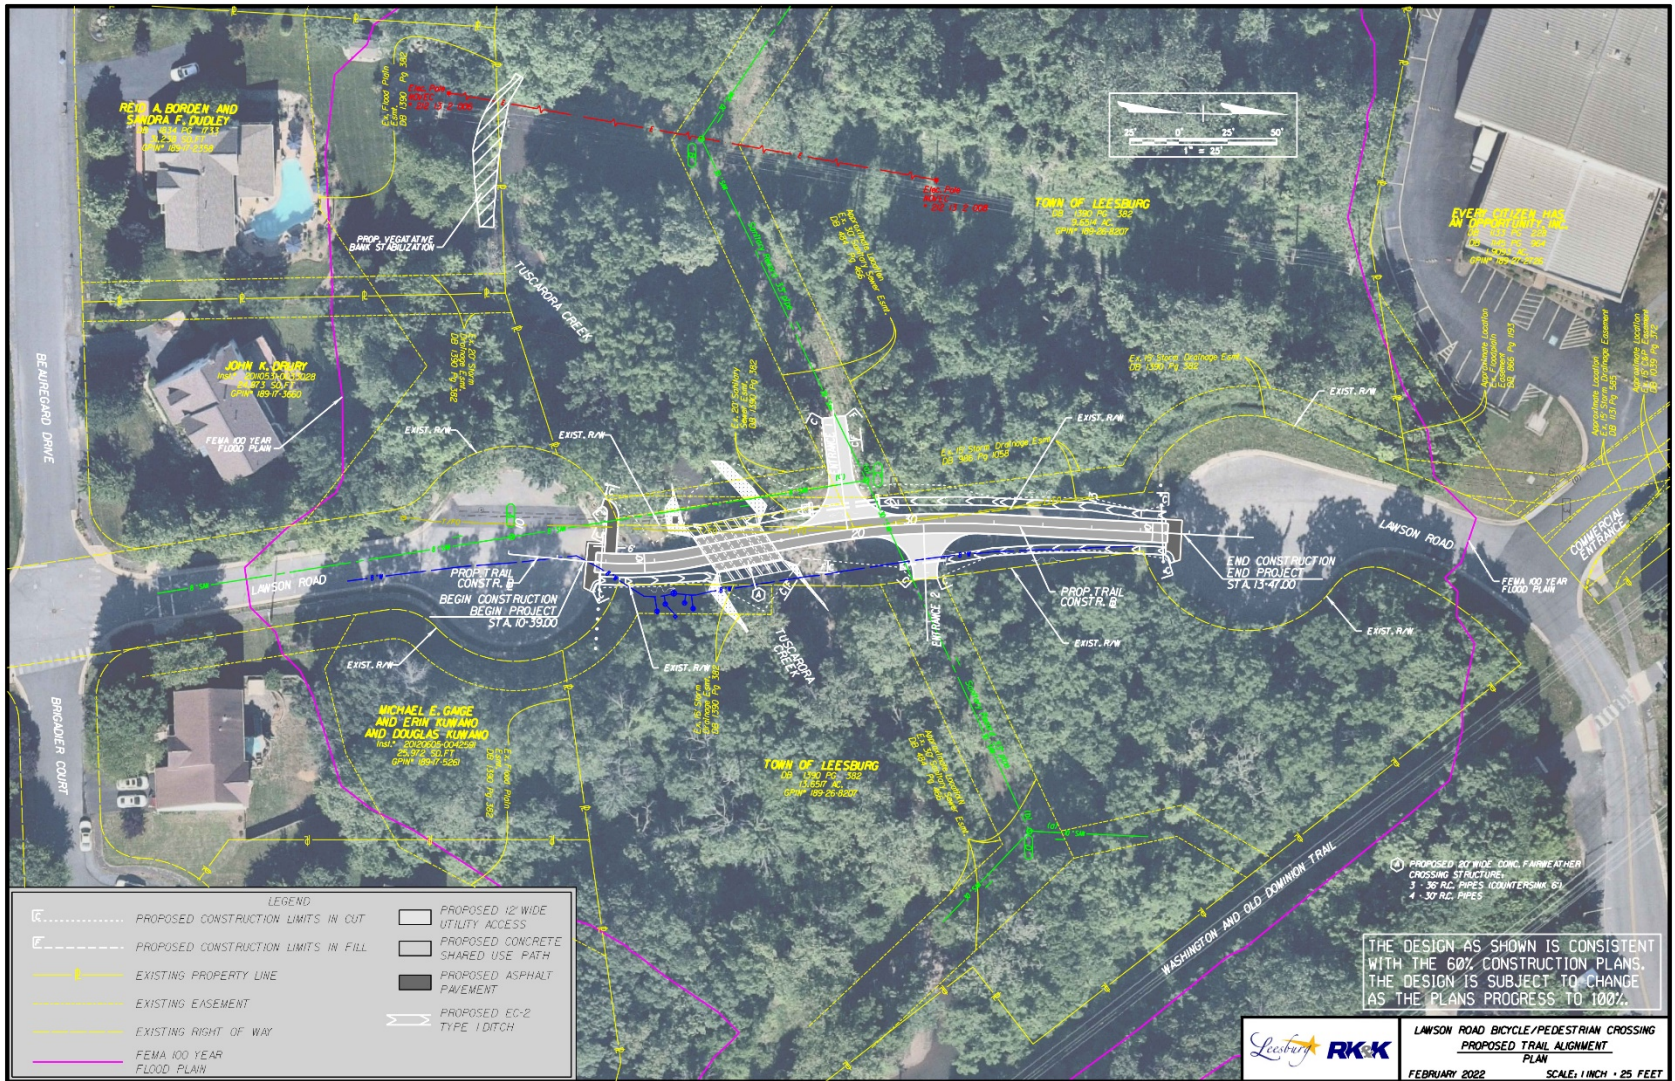

# Trail Crossing Section

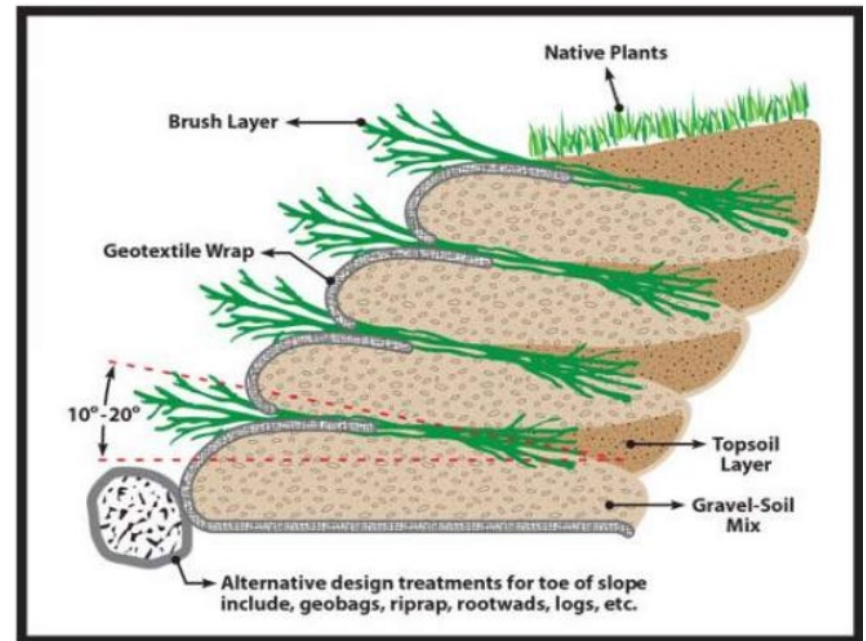

# 60% Design

# Channel Bank Stabilization

Bioengineering Bank Revetment

# Upcoming Council Items

- ▶ Approval of updated project budget by Town Council as part of annual Capital Program – March 2022
  - ◆ Total project cost increased to \$1,487,200
- ▶ Special Exception Application to allow fill in floodplain
  - ◆ Upcoming Planning Commission and Town Council Approval
  - ◆ Public hearing signage will be posted on site

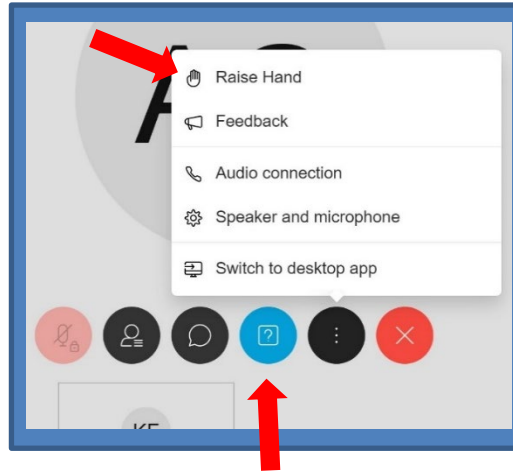

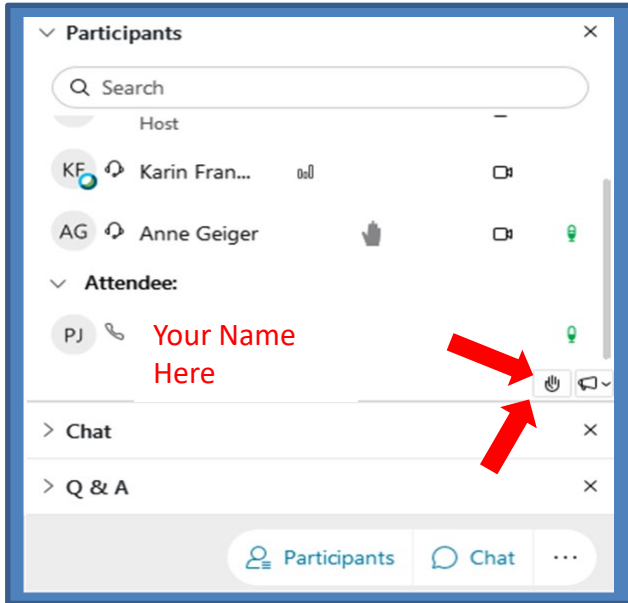

# Next Steps

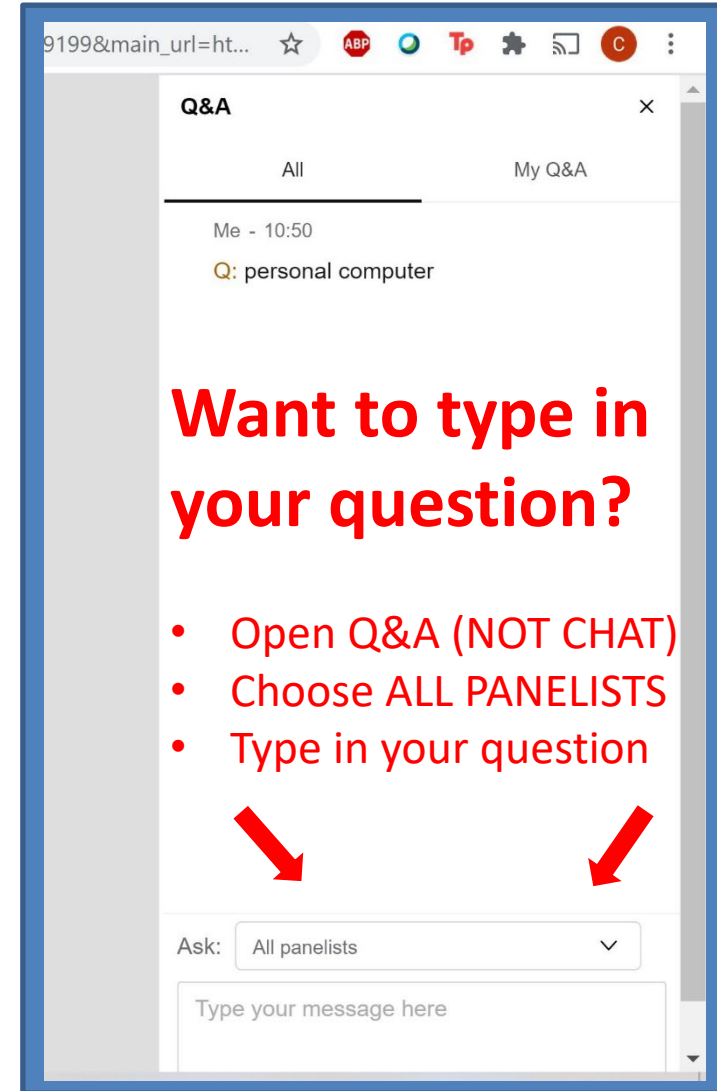

- ▶ 100% plans approved Summer/Fall 2022
- ▶ Floodplain modeling approved by FEMA Fall 2022
- ▶ Project out to bid Winter 2022/2023
- ▶ Construction begin Spring 2023
- ▶ Next neighborhood meeting Winter 2022/2023 prior to construction
