Become A  
**MAD SCIENTIST**  
with the  
Town of Leesburg!

**JOIN THE DEPARTMENT OF UTILITIES TEAM**

This is not science fiction and environmental science related careers will always be necessary.

Starting your career as a Utility Operator does not require a college degree or specialized training and experience, just a good work ethic and a passion to learn.

Please visit [www.leesburgva.gov/jobs](http://www.leesburgva.gov/jobs) for more information and to apply online. EOE/ADA

Providing clean water is an important profession that should not be taken for granted each time a faucet is turned on or a toilet is flushed.

The Town of Leesburg promotes career development and offers a competitive salary and benefits package. Explore career opportunities, join our team and make a significant impact on the operations and quality of life in a thriving community.
