I. PURPOSE

The purpose of this Unsealed Request for Proposal (URFP) is to establish an annual term contract with a qualified firm to provide portable toilets for six (6) annual Town of Leesburg events. The successful offeror, also referred to herein as “Contractor” will work with the Town to provide portable toilet units including some accessible units, with hand sanitizer, hand washing stations, wastewater tanks, and lights within units where specified for the following events: Flower & Garden Festival, Independence Day Celebration, TASTE Leesburg, Leesburg Airshow, Freeze your Gizzard 5K, and the Christmas and Holiday Parade.

II. BACKGROUND

The Town of Leesburg is located 35 miles west of Washington, D.C. The Town encompasses an area of 12 square miles with an estimated service population of 52,415. The Town’s fiscal year begins on July 1 and ends on June 30. As a government entity, the Town of Leesburg is exempt from being taxed on goods and services.

The Town is a full-service municipal corporation that provides the following services to Town residents and businesses: police, refuse collection and disposal, water and sewer utilities, storm water management, airport, parks and recreation, and maintenance of streets and roadways.

The Town of Leesburg Parks and Recreation Department offers a variety of programs, facilities, services, and events to meet the recreation and leisure needs of the community. The annual events listed above have varying needs based on the size of the event.

The Leesburg Flower and Garden Festival takes place annually in April, on the third weekend depending upon where Easter falls on the calendar. When Easter falls on the third weekend, the Flower and Garden Festival will take place on the fourth weekend. The Leesburg Flower and Garden Festival (www.flowerandgarden.org) is a long-standing two-day event with two entertainment stages within its footprint and held in the heart of downtown Leesburg. The event includes an enclosed beer garden with approximately 8 beer vendors offering sample-sized tastes.

Independence Day Celebration takes place on July 4th each year at Ida Lee Park. Thousands of attendees gather to celebrate the birthday of our country with a morning parade and concert with fireworks in the evening. Food vendors are available for attendees to enjoy dinner and celebrate with friends and family. The rain date is July 5. The event hours are 6:00pm – approximately 10:00pm with an estimated attendance of upwards of 12,000 people.

TASTE Leesburg is the newest event on the streets of downtown Leesburg with two stages of entertainment. TASTE Leesburg is typically the second Saturday in August. The TASTE event is an open alcohol event featuring local breweries, wineries, and cideries. The public can carry their sample-sized beverages openly throughout the event footprint.

TASTE Leesburg is rain or shine. Event hours are from 5:00pm – 10:00pm with an estimated crowd of 8,000.

The Leesburg Airshow takes place on the last Saturday in September at the Leesburg Executive Airport and features static plane displays as well as air performances. Food vendors and beer are included within the footprint for attendees to enjoy. The Leesburg Airshow is rain or shine from 11:00am – 4:00pm. The average attendance at the Airshow is 8,000.

Freeze Your Gizzard is a cross-country style 5K and 1-mile fun run that takes place at Ida Lee Park on the Saturday prior to Thanksgiving in November. The event is held in partnership with Loudoun Hunger Relief to assist in collecting food for our local food pantry. The race takes place in the morning, beginning at 9:00am.

Christmas and Holiday Parade is the second Saturday of December. It's the most wonderful time of the year as we celebrate Christmas and Winter Holidays with our annual parade featuring as many as 60 parade units drawing thousands of spectators along the downtown streets of Leesburg. A rain date for the parade is the Sunday of the same weekend. The parade begins at 6:00pm.

The Town reserves the right to accept or to reject any or all proposals in whole or in part, to make multiple awards, and to waive informalities in the process of awarding this contract. The Town further reserves the right to make an award of a contract without further discussion of the proposals received provided it is determined in writing that only one offeror is fully qualified, or that one offeror is clearly more highly qualified and suitable than the others under consideration. Therefore, proposals should be submitted initially on the most favorable terms that the offeror could propose with respect to both price and technical capability.

C. Contract Award

The Town will make an award to offeror whose proposal is determined to be the most advantageous to the Town. The Town also reserves the right to award in whole or in part, to one contractor or multiple contractors, whenever it is deemed to be most advantageous and in the best interest of the Town. All requested services are to be supplied on an as-needed basis in accordance with the requirements specified herein and based on prices submitted with this URFP.

The Town intends to award a contract to a firm who is authorized to transact business in the Commonwealth of Virginia with demonstrated experience similar in nature to that being requested herein. Each offeror submitting a proposal must complete and include the URFP Submission Form regarding company identification and ownership disclosures, conflict of interests and collusion.

The contents of the proposal submitted by the successful offeror will become a part of any contract awarded as a result of this URFP. The submission of a proposal shall be taken as prima facie evidence of compliance with this paragraph.
6. **Exceptions to URFP:** Offerors taking exception to any part or section of this URFP shall indicate such exceptions in their proposal. Failure to indicate any exceptions shall be interpreted as the offeror's intent not to fully comply with the specifications as written. Conditional or qualified proposals are subject to rejection in whole or in part.
7. **Inquiries Concerning Specifications:** Questions concerning this URFP must be made in writing to the Procurement Contact listed on the cover page of the URFP.

Trade secrets and proprietary information submitted by an offeror in connection with procurement shall not be subject to public disclosure under the Virginia Freedom of Information Act. However, the offeror must invoke the protection of this section before or upon submission of the data or other materials and must identify the specific area or scope of data or other materials to be protected and state the reasons why protection is necessary. An all-inclusive statement that the entire proposal is proprietary is unacceptable. A statement that the costs are to be protected is unacceptable.

13. **Laws and Regulations:** The offeror's attention is directed to the fact that all applicable Commonwealth of Virginia laws, municipal ordinances and the rules and regulations of all authorities having jurisdiction over the contract shall apply to the contract throughout, and they will be considered to be included in the contract the same as though herein written out in full.
14. **License Requirement:** All firms doing business for the Town are required to be licensed in accordance with the Town's "Business, Professional, and Occupational Licensing (BPOL) Tax" Ordinance. Wholesale and retail merchants without a business location in Leesburg, VA are exempt from this requirement. 17. **Termination:** Subject to the provisions below, the contract may be terminated by the Town upon thirty (30) days advance written notice to the other party. If any work or service hereunder is in progress, but not completed as of the date of termination, then this contract may be extended upon written approval of the Town until said work or services are completed and accepted.

Termination for Convenience – In the event that this contract is terminated or cancelled upon request and for the convenience of the Town, without the required thirty (30) days advance written notice, then the Town shall negotiate reasonable termination costs, if applicable.

Termination for Cause: – Termination by the Town for cause, default, or negligence on the part of the contractor shall be excluded from the foregoing provision; termination costs, if any, shall not apply. The thirty (30) days advance notice requirement is waived in the event of Termination for Cause. In the event of default by the offeror, we reserve the right to procure the commodities and/or services from other sources and hold the offeror liable for any excess cost occasioned thereby. If,

however, public necessity requires use of commodities and/or service not conforming to the specifications they may be accepted, and payment therefore shall be made at a proper reduction in price.

Termination Due to Unavailability of Funds in Succeeding Fiscal Years –
When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, the contract shall be cancelled, and the contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the contract.

18. **Non-Assignment of Contract:** The contractor shall not assign the contract, or any portion thereof, without the advanced written permission of the Procurement Officer, such permission not to be unreasonably withheld.
19. **Use by Other Localities:** Offerors are advised that the resultant contract may be extended, with the authorization of the offeror, to other public bodies or public agencies or institutions of the United States to permit their use of the contract at the same prices and/or discounts and terms and conditions of the resulting contract. If any other public body decides to use the final contract, the Contractor(s) must deal directly with that public body concerning the placement of orders, issuance of the purchase orders, contractual disputes, invoicing and payment. The Town of Leesburg acts only as the “Contracting Agent” for these public bodies. Failure to extend a contract to any public body will have no effect on consideration of your bid.

It is the Contractor’s responsibility to notify the public body(s) of the availability of the contract.

Other public bodies desiring to use this contract must make their own legal determination as to whether the use of this contract is consistent with their laws, regulations, and other policies.

Each public body has the option of executing a separate contract with the Contractor(s). Public bodies may add terms and conditions required by statute, ordinances, and regulations, to the extent that they do not conflict with the contract’s terms and conditions. If, when preparing such a contract, the general terms and conditions of the public body are unacceptable to the Contractor, the Contractor may withdrawal its extension of the award to that public body.

23. **Collusion Among Offerors:** More than one proposal from an individual, firm, partnership, corporation or association under the same or different name will be rejected. Reasonable grounds for believing that an offeror has an interest in more than one proposal for the work contemplated will cause rejection of all proposals in which the offeror is interested. Any or all proposals will be rejected if there is any reason for believing that collusion exists among the offerors. Participants in such collusion may not be considered in future proposals for the same work. The signer of the proposal must declare that all persons, companies and parties interested in the contract as principals are named therein; that the proposal is made

- a. Pay the subcontractor for the proportionate share of the total payment received from the Town attributable to the work performed by the subcontractor under that contract; or
 - b. Notify the Town and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

Individual contractors must provide their social security numbers and proprietorships, partnerships, and corporations to provide their federal employer identification numbers.

The offeror will pay interest to the subcontractor on all amounts owed by the offeror that remain unpaid after seven days following receipt by the offeror of payment from the Town for work performed by the subcontractor under that contract, except for amounts withheld as allowed in subdivision 1.

“Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of one percent per month.”

A contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.

33. **Prime Vendor Responsibilities:** Offerors may propose services that are provided by others, but any services proposed must meet all of the requirements of this URFP. If the offeror's proposal includes services provided by others, the offeror will be required to act as the prime vendor for all such items and must assume full responsibility for the procurement delivery and quality of such services. The offeror will be considered the sole point of contact with regard to all stipulations, including payment of all charges and the meeting of all requirements of this URFP.

34. **Purchase Orders:** A purchase order will be enclosed with the resulting contract or will be issued shortly thereafter, and will become an integral part of the resulting contract. The purchase order indicates that sufficient funds have been obligated as required by Title 15 of the Code of the Commonwealth of Virginia, and assures distribution of the necessary receiving reports. The purchase order does not supersede any provisions of the resulting contract. Performance time and dates are determined solely by the contract and any modification thereto. Services are not to begin until receipt of the purchase order and/or other notification by the Town's Procurement Officer or designee.

**CONTRACT NO. XXXXXX-FYXX-XX

1. **Provision of Services.** The Contractor hereby agrees to provide the following services to the Town:
2. **Contract Documents.** The Contract Documents consist of this Contract, URFP No. 100412-FY23-24 (incorporated herein by reference), the Contractor’s Proposal dated _____ (attached hereto as “Exhibit A”), and any subsequent purchase orders issued by the Town. Where the terms of this Contract and the Contractor’s Proposal are at variance, the provisions of this Contract shall prevail. The Parties agree that any ambiguity, conflict, or inconsistency in the foregoing documents that together constitute the Contract, will be resolved in the following order of precedence: (1) this Contract; (2) URFP No. 100412-FY23-24 and all addenda thereto; (3) the Contractor’s Proposal dated _____.
3. **Contract Term.** The term of this Contract shall commence on _____ and shall continue in force until _____. Upon mutual agreement of both Parties, this Contract may be renewed for up to four (4) one-year renewal terms.
4. **Contract Amount.** In return for the services identified above, the Town certifies that sufficient funds are budgeted and shall compensate the Contractor in accordance with the Contractor’s Proposal dated _____, which is attached hereto as Exhibit A and outlined below:
5. **Method of Payment.** The Contractor shall submit invoices to the Town with all supporting documentation and shall be reimbursed within forty-five (45) days after receipt of invoice or completion of services, whichever occurs later.

Invoice must reference the Contractor’s name and address, detail the hours worked and services performed, must reference the purchase order number, and be mailed and/or emailed to the address(es) specified below:

Town of Leesburg, Virginia

Attn: Linda Fountain

6. **Applicable Law and Courts.** This Contract shall be governed in all respects by the laws of the Commonwealth of Virginia and any litigation with respect thereto shall be brought in a court within Loudoun County. The Contractor shall comply with applicable federal, state and local laws and regulations.
7. **Assignment of Contract.** This Contract shall not be assignable by the Contractor in whole or in part without the prior written consent of the Town.
8. **Audit.** The Contractor shall retain all books, records, and other documents relative to this Contract for five (5) years after final payment, or until audited by the Town, whichever is sooner. The Town, its authorized agents, and/or auditors shall have full access to and the right to examine any of said materials during said period.
9. **Indemnification.** Contractor agrees to indemnify, defend and hold harmless the Town, its officers, agents, and employees from any claims, damages and actions of any kind or nature, whether at law or in equity, arising from or caused by any services of any kind or nature furnished by the Contractor.

For the Town: Octavia Andrew
Chief Procurement Officer
Town of Leesburg, Virginia
25 W. Market Street
Leesburg, VA 20176

For the Contractor: _____

The Parties may amend such addresses by written notice to the opposite party at the given address.

11. **Termination.**

- A. Termination without Cause. The Town may terminate this Contract for any reason upon thirty (30) days' notice and upon payment of any and all sums already earned under the terms of Paragraphs numbered 4 and 5 of this Contract and reasonable expenses incurred in reliance upon the Contract.
- B. By Town with Cause. The Town may terminate this contract if the Contractor is in material breach with this Contract and fails to adequately remedy such breach after written notice from the Town and a 14-day period to cure the breach. If this Contract is terminated by the Town for cause, the Town may withhold any further payments to the Contractor until it determines its damages and may sue the Contractor for any damages caused by the breach. If the Town terminates this Contract for cause and it is later determined that such termination was not justified, then the termination shall be converted into one without cause under Paragraph 11.A. and any liability of the Town shall be limited solely to the liability provided by that paragraph for a termination without cause.
- C. If this Contract is terminated by the Town, the Contractor shall within seven days thereafter deliver to the Town all Contract Deliverables regardless of the current state of completion. In such case, the Contractor grants an irrevocable right to the Town to use the Contract Deliverables without additional compensation to the Contractor, but the Contractor will not be liable for any change or alterations to the Contract Deliverables or for their use in an incomplete state.
- D. Notwithstanding the foregoing, the Contractor agrees that any resulting contract is subject to annual appropriations of the Leesburg Town Council and that non-appropriation of sufficient funding to continue the contract will result in its automatic termination once existing funding is exhausted.

12. **Integration Clause.** This Contract, including all incorporated Contract Documents, shall constitute the whole agreement between the Parties. There are no promises, terms, conditions, or obligations other than those contained herein, and this Contract shall supersede all previous communications, representations or agreements, written or verbal, between the Parties hereto related to the subject of this Contract.

13. **Notice of Required Disability Legislation Compliance.** The Town is required to comply with state and federal disability legislation: The Rehabilitation Act of 1973 Section 504, The Americans with Disabilities Act (ADA) for 1990 Title II and The Virginians with Disabilities Act of 1990. Specifically, the Town may not, through its contractual and/or financial arrangements, directly or indirectly avoid compliance with Title II of the Americans with Disabilities Act, Public Law 101-336, which prohibits discrimination on the basis of disability by public entities. Subtitle A protects qualified individuals with disability from discrimination on the basis of disability in the services, programs, or activities of all State and local governments. It extends the prohibition of discrimination in

federally assisted programs established by the Rehabilitation Act of 1973 Section 504 to all activities of State and local governments, including those that do not receive Federal financial assistance, and incorporates specific prohibitions of discrimination on the basis of disability in Titles I, III, and V of the Americans with Disabilities Act. The Virginians with Disabilities Act of 1990 follows the Rehabilitation Act of 1973 Section 504.

14. **Faith Based Organizations.** The Town does not discriminate against faith-based organizations.
15. **Immigration Reform and Control Act of 1986.** By entering this Contract, the Contractor certifies that it does not and will not during the performance of this Contract violate the provisions of the Federal Immigration Reform and Control Act of 1986, which prohibits employment of illegal aliens.
16. **Payment to Subcontractors.** Within seven (7) days after receipt of amounts paid by the Town for work performed by a subcontractor under this Agreement, the Contractor shall either: a) pay the subcontractor for the proportionate share of the total payment received from the Town attributable to the work performed by the subcontractor under this Agreement; or b) notify the Town and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment and the reason for non-payment. The Contractor shall pay interest to the subcontractor on all amounts owed that remain unpaid beyond the seven (7) day period except for amounts withheld as allowed in item b. Unless otherwise provided under the terms of this Agreement, interest shall accrue at the rate of one percent (1%) per month. The Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements as set forth above with respect to each lower-tier subcontractor. The Contractor's obligation to pay an interest charge to a subcontractor pursuant to this provision may not be construed to be an obligation of the Town.
17. **Authority to Transact Business in Virginia.** A Contractor organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law. Any business entity described herein that enters into an Agreement with the Town pursuant to the Virginia Public Procurement Act 2.2-4300 et seq. shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50 of the Code of Virginia, to be revoked or cancelled at any time during the term of the Agreement. The Town may void any Agreement with a business entity if the business entity fails to remain in compliance with the provisions of this section.
18. **Counterparts.** This Contract and any amendments or renewals hereto may be executed in a number of counterparts, and each counterpart signature, when taken with the other counterpart signatures, is treated as if executed upon one original of this Contract or any amendment or renewal. A signature by any party to this Contract provided by facsimile or

electronic mail is binding upon that party as if it were the original. A wet signature affixed or inserted electronically to this Contract shall be deemed an original signature.

19. **Ethics in Public Contracting.** The provisions contained in Sections 2.2-4367 through 2.2-4377 of the Virginia Public Procurement Act as set forth in the 1950 Code of Virginia, as amended, shall be applicable to all Contracts solicited or entered into by the Town. A copy of these provisions may be obtained from the Town upon request.

The above-stated provisions supplement, but do not supersede, other provisions of law including, but not limited to, the Virginia State and Local Government Conflict of Interests Act (§ 2.2-3100 et seq.), the Virginia Governmental Frauds Act (§ 18.2-498.1 et seq.) and Articles 2 and 3 of Chapter 10 of Title 18.2. The provisions apply notwithstanding the fact that the conduct described may not constitute a violation of the Virginia State and Local Government Conflict of Interests Act.

20. **Exemption from Taxes.** Pursuant to Va. Code § 58.1-609.1, the Town is exempt from Virginia State Sales or Use Taxes and Federal Excise Tax, therefore the Contractor shall not charge the Town for Virginia State Sales or Use Taxes or Federal Excise Tax on the finished goods or products provided under the Contract. However, this exemption does not apply to the Contractor, and the Contractor shall be responsible for the payment of any sales, use, or excise tax it incurs in providing the goods required by the Contract, including, but not limited to, taxes on materials purchased by a Contractor for incorporation in or use on a construction project. Nothing in this section shall prohibit the Contractor from including its own sales tax expense in connection with the Contract in its Contract price.

21. **Employment Discrimination by Contractors Prohibited.**

A. During the performance of this Contract, the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, status as a service disabled veteran, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
2. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, shall state that such Contractor is an equal opportunity employer.
3. Notices, advertisements, and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient to meet this requirement.

- B. The Contractor will include the provisions of the foregoing paragraphs, 1, 2, and 3 in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

22. Drug-free Workplace.

During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purpose of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana during the performance of the Contract.

- 23. Delays and Delivery Failures.** Time is of the essence. The Contractor must keep the Town advised at all times of status of Parties' agreement. If delay is foreseen, the Contractor shall give immediate written notice to Town. Should Contractor fail to deliver the proper item/service at the time and place contracted for, or within a reasonable period of time thereafter as agreed to in writing by the Town, or should the Contractor fail to make a timely replacement of rejected item/service when so required, the Town may purchase item/service of comparable quality and quantity in the open market to replace the undelivered or rejected item/service. The Contractor shall reimburse the Town for all costs in excess of the Contract price when purchases are made in the open market; or, in the event that there is a balance the Town owes to the Contractor from prior transactions, an amount equal to the additional expense incurred by the Town as a result of the Contractor's nonperformance shall be deducted from the balance as payment.

- 24. Substitutions.** No substitutions, additions or cancellations, including those of key personnel, are permitted after Contract award without written approval by the Town. Where specific employees are proposed by the Contractor for work, those employees shall perform the work as long as those employees work for the Contractor, either as employees or subcontractors, unless the Town agrees to substitution. Requests for substitutions shall be reviewed and may be approved by Town at its sole discretion.

- 25. Workmanship and Inspection.** All work under this Contract shall be performed in a skillful and workmanlike manner. The Contractor and its employees shall be professional and courteous at all times. The Town reserves the right to require immediate removal of any Contractor employee from Town service it deems unfit for service for any reason, not

contrary to law. This right is non-negotiable, and the Contractor agrees to this condition by accepting this Contract. Further, the Town may, from time to time, make inspections of the work performed under the Contract. Any inspection by the Town does not relieve the Contractor of any responsibility in meeting the Contract requirements.

26. **Contractual Disputes.** The Contractor shall give written notice to the Procurement Officer of intent to file a claim for money or other relief within ten (10) calendar days of the occurrence giving rise to the claim or at the beginning of the work upon which the claim is to be based, whichever is earlier.

The Contractor shall submit its invoice for final payment within thirty (30) days after completion or delivery.

The claim, with supporting documentation, shall be submitted to the Procurement Officer by US Mail, courier, or overnight delivery service, no later than sixty (60) days after final payment. If the claim is not disposed of by agreement, the Procurement Officer shall reduce his/her decision to writing and mail or otherwise forward a copy thereof to the Contractor within thirty (30) days of the Town's receipt of the claim.

The Procurement Officer's decision shall be final unless the Contractor appeals within thirty (30) days by submitting a written letter of appeal to the Town Manager, or his designee. The Town Manager shall render a decision within sixty (60) days of receipt of the appeal.

No Contractor shall institute any legal action until all statutory requirements have been met. Each party shall bear its own costs and expenses resulting from any litigation, including attorney's fees.

27. **Severability.** In the event that any provision shall be adjudged or decreed to be invalid, by a court of competent jurisdiction, such ruling shall not invalidate the entire Contract but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding and in full force and effect.

28. **Force Majeure.** A party will not be held responsible for failure to perform the duties and responsibilities imposed by the contract due to legal strikes, fires, civil disobedience, riots, rebellions, acts of God and similar occurrences beyond the control of the party that make performance impossible or illegal, unless otherwise specified in the Contract.

If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, that party must immediately notify the other party giving full particulars of the event of force majeure and the reasons for the event of force majeure preventing that party from, or delaying that party in performing its obligations under this contract and that party must use its reasonable efforts to mitigate the effect of the event of force majeure upon its or their performance of the contract and to fulfill its or their obligations under the contract.

An event of force majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event, nor does that event affect the obligation to pay money in a timely manner which matured prior to the occurrence of that event.

The Contractor has no entitlement and Town has no liability for: (1) any costs, losses, expenses, damages, or the payment of any part of the contract price during an event of force majeure; and (2) any delay costs in any way incurred by the contractor due to an event of force majeure.

29. Survival of Terms. Upon discharge of this Contract, Sections 6 (Applicable Laws and Courts), 8 (Audit), 9 (Indemnification), 10 (Notice), 16 (Payment to Subcontractors) and 26 (Contractual Disputes) shall continue and survive in full force and effect.

30. Insurance.

Contractor shall secure at its own expense general liability insurance in an amount not less than \$1,000,000 solely contained in a Commercial General Liability Policy or in combination with an Umbrella or Excess Policy. Included shall be coverage for Bodily Injury and Property Damage resulting from the operations, products, and completed operations of the contractor.

Contractor shall also carry automobile insurance in an amount not less than \$1,000,000 solely contained in a Commercial Auto Policy or in combination with an Umbrella or Excess Policy. Contractor shall also carry Workers Compensation insurance, which meets the statutory requirements of the Commonwealth of Virginia. In addition, Contractor shall also carry other insurance coverage deemed by the Town to be appropriate to this agreement.

The above-mentioned coverage shall be placed with an insurance carrier licensed to do business in the Commonwealth of Virginia. The carrier must have an AM Best Rating of A or better. A Certificate of Insurance identifying coverage shall be furnished to the Town. The Town of Leesburg shall be named as an additional insured on commercial general liability, umbrella/excess coverage, and automobile coverage. Liability coverage shall contain wording prohibiting cancellation of coverage, failure to renew, or reduction in limit without the insurer first giving 30 days' prior written notice of such action to the Town.

31. Parties' Relationship. It is the intent of the Parties hereto that the Contractor shall be considered as an independent contractor and that neither it nor its employees shall, under any circumstances, be considered servants or agents of the Town and that these bodies shall be at no time legally responsible for any negligence on the part of said Contractor, its servants or agents, resulting in either bodily or personal injury or property damage to any individual, firm, or corporation.

32. Ownership of Documents. Contractor agrees that all information, finished or unfinished documents, data, studies, surveys, specifications, records, reports, and other material

gathered and/or prepared by or for it under the terms of the Contract shall, at the Town's option, be delivered to, become, and remain the property of the Town. The Town shall also have the right to use and reproduce the data and reports submitted hereunder, without additional compensation to the Contractor.

- 33. Authorization.** Contractor affirms that its signatory below is legally authorized to sign this Contract on its behalf.

In witness whereof, the Parties below execute this Contract as of the date first above written.
